

CANADIANS REPORTED IN NORWAY AIR CRASH

STAVANGER, Norway (CP)—A U.S. military plane reported to be carrying some Canadians collided with a Norwegian Thunderjet today over Sola airfield and a spokesman for the Stavanger police said 10 persons were killed and two were missing.

U.S. officers from Sola reached the scene quickly and clamped a blackout on information about the crash. They declined to say where the plane was from but it was believed to be from a British base.

Reports of Canadians being among those aboard could not be confirmed. There was no indication immediately how many, if any, were Canadians.

Korea Truce Said Agreed

Rhee-U.S. Envoy Reported
To Have Reached Compromise

By ERNEST HOBERECHT

SEOUL, Korea, (Saturday) (UP)—South Korea and the United States have reached virtual agreement on a compromise armistice plan, reliable sources said today.

President Syngman Rhee and Assistant Secretary of State Walter S. Robertson were reported to have completed the main part of their conversations designed to remove South Korean opposition to a settlement of the three-year-old Korean War.

Sources close to the Rhee-Robertson "little truce" talks said neither side got all it wanted and neither gave iron-clad guarantees. They have, however, reached tentative basic agreement, it was reported.

Rhee had held out for a three-month time limit on a post-armistice political conference to unify Korea and a mutual security pact with the United States.

Sources said the agreement may not satisfy the Commun-

ists, who were reported demanding that the United Nations use military force to hold Rhee in line.

But the reports were the most optimistic since three weeks ago when Rhee upset the all but signed truce agreement by ordering the release of 27,000 anti-Communist North Korean prisoners.

It appeared that the compromise agreement worked out by Rhee and Robertson might give UN commander Gen. Mark W. Clark sufficient ground on which to assure the Communists South Korea would go along with a truce.

St. Laurent Promises Tax Cuts if Possible

Liberal Leader Says Continued Higher Income
Will See Reductions; Crowd of 2,500 Cheers

VANCOUVER (BUP)—An overflow rally of Liberal party supporters stood and applauded Prime Minister St. Laurent for five minutes Thursday night after he promised that "a Liberal government will continue to cut tax rates" as long as the country can afford it.

It was the Prime Minister's most effective campaign speech since he began barnstorming the nation late last month and keyed the Liberal strategy toward Conservative Leader Drew's promise to reduce taxes by \$500,000,000 a year.

"Our national income has gone up every year, we hope it will continue to go up, and if it does, you may be sure that a Liberal government will continue to cut tax rates," he said.

People stood and cheered.

CANDIDATES' RALLY
Mr. St. Laurent spoke at a rally for all Liberal candidates in British Columbia's 22 Federal ridings.

"We have reduced taxes in every year but two since the war ended," the national Liberal Leader said. "It was because the aggression in Korea increased the fear of a third world war, and because we Canadians have been doing our full share in Korea and in the North Atlantic Alliance that we had to increase taxes in 1950 and 1951."

"But," he added, "since 1950 the Canadian people have increased production so much that we were able in 1952, and again this year, to start reducing taxes once more."

"The Conservatives are now promising to reduce taxes by another \$500,000,000 a year. That is only a promise. But the Liberal government in the last two years has actually made reductions in the tax rates which reduced the burden by

over \$500,000,000 in a full year. And everyone who pays income tax will begin to get the benefit of that tax reduction this month."

"Nearly everything a government does costs money, and we Liberals believe the full cost of the services provided by the government in good times should be paid out of taxes."

**LARGE GROUP
WELCOMES
ST. LAURENT**
A large delegation of Victorians prepared to welcome Prime Minister Louis St. Laurent at Patricia Bay airport late this afternoon.

The prime minister addresses a public meeting at the Royal Theatre at 8.15 tonight at the turning point of his western election campaign tour.

After meeting local dignitaries at the airport, the Liberal leader planned to go to the Empress Hotel for dinner and rest before his Royal Theatre appearance.

Prime Minister St. Laurent is accompanied by one of his two sons, Renault, and John Pickersgill, newly appointed secretary of state, associate defense minister Ralph Campney, provincial Liberal leader Arthur Laing, and about 15 newsmen.

The prime minister will leave Victoria early Saturday morning to fly to Calgary.

Beria Faces Firing Squad If Treason Charges Proved

BANTAM BEN

Ben Hogan Wins British Golf Title

CARNOUSTIE, Scotland (AP)—Ben Hogan, golf's living legend, won the British Open championship today on his first try, shooting a record 68 on the last round for a 72-hole total of 282. The gallery numbered 20,000.

He had rounds of 73-71-70-68 and his total was the second lowest in the tournament's history.

Hogan's card for the final holes: Hogan, out 444 434 434—34 Hogan, in 444 254 344—68.

He won the Masters Tournament this spring with a record score and then captured his fourth U.S. Open, thus tying the winning records of Willie Anderson and Bobby Jones.

Hogan's 282 was bettered only by the 279 shot by Bobby Locke of South Africa in 1950. Locke finished with a 72 for a 291 total. It may be his last big championship since he hinted after winning the U.S. Open that this probably is his last year of competitive golf.

Hogan said after his final putt: "I feel good, but very, very tired. I have a cold and I have been playing golf almost every day since March."

"This is one of the toughest courses I have ever played. Every hole is semi-blind. These are the best galleries I have ever seen... I really mean it—these are fine galleries."

Kesselring Sets Pace in Canadian Golf

TORONTO (BUP)—Gerry Kesselring, Ontario amateur champion, blazed back into contention in the \$15,000 Canadian Open today with a two-under par 69 that gave him a three-day total of 217.

Kesselring, of Kitchener, who shot 70 the first day but was almost ready to give up after he got a 73 yesterday, was over par on the first three holes but then settled down and shot near perfect golf that gave him a four under par lead with half the field of 100 in.

Jim Turnesa, Brian Cliff, N.Y., with 149-69—218, and Bob Inman, Arkadelphia, Ark., with 146—72—218, were second among early finishers. Bill Thompson, Downsview, Toronto, and Bill Kerr, Montreal, were in the third spot with the same scores, 148-71—219.

The tourney leaders were last in the draw, however, and none of the early scores was expected to stand up. A Canadian amateur, Phil Farley, turned in one of the best performances of the day when he opened his third round with two birdies and a par.

Milk Decontrol Delayed Further

The provincial cabinet this afternoon decided to grant the request of the B.C. Federation of Agriculture for a public hearing on the matter of decontrolling milk above the producer level.

This means a further delay in decontrol, already once postponed by the government.

Fire Kills Fifteen

Missionary Group
Dies in California

WILLOWS, Calif. (UP)—Fifteen missionary trainees were killed Thursday night when a forest fire they had temporary controlled surged up again and swept through their camp while they were eating.

The trainees were members of the New Tribes Mission, a Protestant group in training for jungle missionary work.

The fire broke out Thursday 28 miles northwest of here in a canyon at the foothills of the Pacific Coast range. The fire was believed controlled Thursday night about 10 p.m. and a group of 24 fire-fighters from the mission sat down to eat.

One spot fire broke out again across the canyon and, pushed by a 15-mile-an-hour wind, swept through the camp just as the religious men said grace.

Nine of the men climbed a rope out of the canyon and escaped down a fire trail cut by a bulldozer.

All the bodies were found at the camp site except one, found about a quarter of a mile away.

LAVRENTI BERIA

STALIN'S EXECUTIONER

Police Chief Was Feared and Hated

BY UNITED PRESS

Lavrenti P. Beria was Josef Stalin's favorite executioner. He was responsible for the deaths of tens of thousands of "enemies of the people."

As chief of the secret police and head of the Soviet security system, he was charged with maintaining Communist control over the nations of the Soviet world. His ruthlessness made him one of the most feared and hated men in the Kremlin.

All of Beria's adult life was devoted to the secret police.

Chief policeman and security officer of the Soviet Communist world, he was the commander of an army of spies and informers, and the ruler of an empire of slave labor camps. He also was said to have been in charge of the Soviet atomic projects.

Beria was born of peasant stock in the Russian village of Merikheul, Georgia, in March, 1899. He entered the ranks of the secret police in 1920 and rose swiftly through the ranks. He first gained prominence in 1938 when Stalin called on him to "correct the excesses" of the bloody purges which had won him absolute control of the government and party.

Beria proceeded to carry out his orders by a drastic "purge of the purgers." From then on until Stalin's death, his star grew ever brighter.

In 1939, he was made a member of the Soviet defense council which directed the war. He was made a full member of the ruling Politburo in 1946.

Following Stalin's death last March, he emerged as the second-ranking Communist after Premier Georgi M. Malenkov. He was appointed first deputy chairman of the Soviet council of ministers and a member of the Presidium of the Communist Party which replaced the Politburo.

Beria also was given the portfolio of the ministry of internal affairs, thus assuming official control of the Soviet security machine of which he was chief anyway. One of his first official actions was to denounce the "Kremlin doctors plot" as a fabrication and order the punishment of the officials involved.

WORLD REACTION

WASHINGTON (UP)—The foreign ministers of the United States, Britain and France launched a series of fateful conferences today on ways to exploit the unrest sweeping the Communist world and reaching into the Kremlin itself.

The downfall of Lavrenti P. Beria, friend of Stalin and No. 2 man in Russia, lent unexpected urgency to the talks. When the announcement of Beria's purge came from Moscow Thursday night, the foreign ministers, top administration leaders and congressmen were generally agreed: For the moment, at least, it looked like a good thing for the West.

It proved beyond a doubt that the Kremlin is being torn by a power struggle that should rule out any moves to touch off a third world war for the time being at least.

UNITED NATIONS (UP)—United Nations diplomats believe the charges against Lavrenti P. Beria reflect a developing Moscow crisis that may lead to a widespread purge in the Russian hierarchy.

WASHINGTON (UP)—Secretary of State John Foster Dulles today summoned the U.S. Ambassador to Russia to come to Washington to consult on the momentous turmoil in the Kremlin.

BERLIN (UP)—Western Allied officials said here today that the downfall of Lavrenti P. Beria may bring "major changes" in Soviet Communist policy in East Germany.

They admitted it was "extremely difficult" to foretell what the results would be. But they ventured the guess that it would strengthen the hand of Soviet High Commissioner Vladimir S. Semenov in the struggle he is believed waging against East German Communist leaders, particularly against Walter Ulbricht, so-called "strong man" of German Communists, deputy premier and secretary general of the party.

Everything from Texas is big—'cept Hogan's golf scores.

O Beria ba-a-ck, on 't' lone talga...

'Parently Waldo's willie' t' wrap himself in th' 'Secred banner—but he hopes th' dye won't come off on 'im.

Struggle for Power In Kremlin Erupts

By HENRY SHAPIRO

MOSCOW (UP)—Secret Police Chief Lavrenti P. Beria, No. 2 man in the Communist leadership, has been expelled from all his state and party jobs and arrested on a charge of treason, a crime punishable by death before a firing squad, it was disclosed today.

Premier Georgi Malenkov himself presented the surprise charges against Beria, for 30 years a trusted Communist and close friend of Josef Stalin and for 15 years head of police security forces.

News of Beria's downfall was announced in an official communique of the central committee of the Soviet Communist party, and published in official newspapers and broadcast by Moscow radio.

The official Communist

party newspaper Pravda described Beria as an "adventurer and hireling of foreign imperialist forces" and said he had conspired to seize the government and party leadership and "restore capitalism."

Indicating that a purge of Beria's ministry of the interior also may be expected, Pravda said that Beria selected his men in the ministry on the basis of personal loyalty to himself while he "wormed himself into confidence and threatened his way to leadership."

Criminal Code Calls for Death

Article 58 of the Soviet Criminal Code specifically calls for death before a firing squad for anyone convicted of treason.

(The official communique announcing Beria's downfall, first break in the leadership of the Malenkov government, failed to disclose Beria's whereabouts and it was presumed he was in jail awaiting trial.)

(The removal of Beria, who had been the middle member of the ruling triumvirate along with Malenkov and Deputy Premier Vyacheslav Molotov, was expected to cause worldwide repercussions and possibly great policy changes in iron curtain countries.)

(It was also believed the government would conduct a sweeping investigation into Beria's ministry of interior affairs, which includes the secret police, and possibly purge its personnel.)

Beria's case was presented to the supreme court of the Soviet Union after Malenkov had named him as a traitorous counter-revolutionary in a recent report to the Communist party central committee.

Pravda published the communiques and Soviet authorities posted them on public bulletin boards. Workers stood in line to read the news then hurried on to work as usual, without comment.

Malenkov, Molotov Showdown Foreseen

By CANADIAN PRESS

European diplomats today viewed the purging of Lavrenti Beria as the beginning of an all-out struggle for power inside the Kremlin with prospects of a showdown next between Premier Malenkov and Foreign Minister Molotov.

Beria, 54, the gimlet-eyed boss of the secret police, was fired from his job, booted out of the Communist party and condemned as a traitor. He was played as a "malignant enemy of the Soviet people" and his case turned over to the Soviet Supreme Court.

SUCCESSOR

His successor—in title but probably not in power—is Sergei Kruglov, a veteran police official who has been given high Soviet recognition for his administration of the many camps housing millions of slave laborers.

British sources said Sir Alvaro Gascoigne, British ambassador to Moscow, has been giving the nod to Molotov as the eventual big boss in the Kremlin. But United States officials believe Beria's purging means Malenkov is acting swiftly and ruthlessly to consolidate his position as Stalin's successor.

There was a general tendency, however, against speculation that Beria's removal meant the Soviet regime was weakening—or that it would lead to any immediate change in policy at home or abroad.

Malenkov, Beria and Molotov were regarded by the West as a triumvirate heading the government since Stalin's death in March. Beria and Molotov were "first" deputy premiers and Beria was minister of internal affairs.

A high West German government official predicted sharp repercussions and personnel upheavals in rebellious Red-occupied East Germany in the wake of Beria's removal.

British officials felt the break-up of the Kremlin triumvirate would strengthen U.S. opposition to any high level parity between the East and West sought by Prime Minister Churchill.

Newspapers and observers said the Moscow developments could bring either civil war in Russia or improved East-West relations.

MARGARET HAS SLIGHT FEVER

SALISBURY, Southern Rhodesia, (BUP) Princess Margaret has caught cold and is running a slight fever, sources close to the royal tour reported today.

They said Queen Mother Elizabeth insisted that Margaret spend most of Thursday in her room at the Leopard Rock Hotel.

Early Start Assured On Christ Church Wing

Christ Church Cathedral building fund campaign today passed \$100,000, thus assuring an early start on the west towers, Archbishop Harold E. Sexton told the Times.

"Although this sum is somewhat short of our initial goal of \$250,000, we feel it is sufficient to get the project under way," the archbishop said.

(The long-range cathedral completion project was estimated last year as a \$750,000 job. The campaign committee felt that this might be achieved in "three bites" of \$250,000 each, over succeeding years.)

The \$100,000 achieved came in donations large and small from all parts of Canada, the U.K. and the United States, but mainly from Victoria, the archbishop said.

Among the outstanding contributions was a gift of \$10,000 from the former lieutenant-governor of British Columbia, Col. W. C. Woodward.

Earlier, R. H. B. Ker of this city had made a similar donation.

The "special names" canvass is not yet complete, and is expected to add a substantial amount to the present total.

Vancouver Island parishes, which are canvassing for the mother church in Victoria, have not completed their returns but are reported to be doing well. Already \$800 has been sent into the campaign from the Gulf Islands.

Archbishop Sexton told the Times that he hoped work on the cathedral, which has been at a standstill for the past 25 years, would be resumed this fall.

"Once we get started, we expect to keep going," His Grace remarked. "By their contributions to date, friends of the cathedral have demonstrated that they want to see this splendid edifice completed. We are confident that the funds will be forthcoming."

Claxton Says Tories Misrepresenting Facts

Minister Defends Defense Spending

BRANTFORD, Ont. (BUP)—The Progressive Conservative election campaign has been featured by "dishonesty" and misrepresentation of the armed forces, Defense Minister Brooke Claxton charged Thursday night.

In a blunt speech to a nominating convention here, Claxton said that so far the only "distinctive" feature of the Conservative campaign had been the "steady stream of distortion and misrepresentation of the armed forces."

"Practically every piece of Tory propaganda is blackened by these attempts to mislead the people," he said. "It is shocking that a party should stoop so low or be so stupid as to believe that it could get anywhere with such stuff."

Claxton said the Conservative party's figures on the cost of training and equipping a serviceman were "dishonest." Tory leader George Drew had said that Canada spends more than the United States and Britain per man.

The defense minister said Canada was concentrating on air strength and that it cost considerably more to train airmen and maintain air power. The cost of equipping, training, transporting and maintaining an air division overseas is about \$600,000,000, as compared with \$60,000,000 for an infantry brigade, he said.

"Out of each dollar spent on the services the air force takes about 50 cents in Canada while in the United States it gets just 26 cents," Claxton said. "This makes it plain why the so-called comparable costs per man used over and over again by the Conservative party are so dishonest."

Drew Levels Charge

PEMBROKE, Ont. (BUP)—Progressive Conservative Leader George Drew charged Thursday night the nation's vital uranium industry could be halted at any time by a Communist-led union not bidding to control it and headed by a Moscow-trained operative.

"I am informed at this very time there is an application by the Communist-led organization before the Labor Relations Board to be certified as the bargaining agent for the government-owned uranium operations in Saskatchewan," Drew said.

"If it was regarded as important to restrain Communist activities on ships on the Great Lakes, it is surely equally important to deal with Communism in Canada's most vital operations."

If the government doesn't know about such activities, "then fuel has been added to the fire burning beneath an incapable government," Drew told an audience of some 300 in the collegiate institute here.

Democracy Threat

DOUGLAS, Man. (CP)—Justice Minister Garson Thursday night said the presence of "splinter parties" like Social Credit and the CCF is the political field actually endangers the democratic system.

At a public meeting here, he said in a democratic country there must be one opposition party strong enough to take over the reins if the people reject the existing administration. "Democracy, therefore, is based on the two-party system," he said.

"If the opposition to any government is dissipated among a number of splinter groups, there is no alternative government capable of administering the affairs of the country."

He cited Britain as having the most desirable political set-up, in that there are two main parties, each with sufficient strength and sufficient experience to form a sound government.

Coldwell on Roads

ELROSE, Sask. (BUP)—A GCF government at Ottawa would shoulder more of the burden of building and maintaining the nation's highways, party leader M. J. Coldwell promised Thursday night.

Coldwell said it was the duty of the central government to give "adequate assistance" to the provinces in the construction of roads "related to the country's defense."

The CCF leader pointed out that Col. J. R. E. Jones, chief engineer of the Canadian Army, said recently that "our present roads are not in shape to take the increased volume of heavy traffic that war would bring."

Coldwell said the present Trans-Canada highway agreement with all provinces except Quebec was "highly inadequate and unjust."

Ont. Tories Blamed

GANANOQUE, Ont. (BUP)—Transport Minister Lionel Chevrier charged Ontario's Progressive Conservative government Thursday night with "playing politics" in withdrawing support of the cheese industry.

"The Conservatives in Ontario tried to embarrass the federal government by withdrawing the 6-cents support the province gave in 1952," he said. "Because the Ontario govern-

ment has forced farmers to rely on politics to settle their price problems," he said, "any blame for any cheese problems should be placed first at the feet of the provincial government."

Martin Defends Taxes

OWEN SOUND, Ont. (BUP)—Health Minister Paul Martin said Thursday night his government could equal Progressive Conservative election promises if it lowered its opinion of Canadians' intelligence.

"Of course we could compete with these promises, but we think the intelligence of the Canadian people is too high," he said. "We tell you, quite frankly, why our taxes are so high."

Howe Blasts Drew

ANTIGONISH, N.S. (BUP)—Trade Minister C. D. Howe delivered a blistering attack Thursday night on Conservative Leader George Drew's claim that Canada's raw materials should be kept in the country to be made into finished products.

"Such a practice could result in war," Howe said.

Drew said in a campaign speech that foreign investors should be made to build plants in this country to process its raw materials instead of taking them to plants outside the country.

"We are a country that depends on import materials," Howe said. "If we withhold our products from other countries, they will begin to retaliate and keep from us iron ore, cotton, wool and tin."

TROOPS AID SEARCH FOR WINNIPEG TOT

MINAKI, Ont. (BUP)—The Canadian Army took over the search today for a five-year-old girl missing for five days in Northern Ontario swampland and believed to have been "eaten alive" by mosquitoes.

The 120 soldiers from units based at Winnipeg trekked through wilderness with walkie-talkies and overhead spotter planes, while several hundred rangers, Indian guides, police, tourists and local residents worked along the edges of the tangled swamp and forest country.

The hunt was concentrated north of Wade, six miles from here, where Geraldine Huggan strayed from her family Sunday morning just before she was to have been taken on a picnic to nearby Fox Lake.

Telephones Here In Short Supply

B.C. Telephone Company has little hope of supplying telephones to all the people who want them right away.

C. W. Halford, communications manager, said that while the 2,200-line addition to central office equipment installed here this year has provided service for most of those who had had applications in for some time, there were already many new applications for service.

Though equipment is on order for extending service here, he does not expect it until next year.

Elizabeth Enters Welsh Castle

CAERNARVON, Wales (Reuters)—Queen Elizabeth II today became the first reigning Queen of England to demand entrance to crumbling, 13th century Caernarvon Castle.

In a ceremony more than 600 years old, the Queen, in a lavender coat and small cream hat, placed her foot on the first step which leads to the water-gate of the castle—and a fanfare of trumpets sounded. It was the second day of her Coronation visit to Wales.

The cheering crowds around the castle hushed as the Queen's equerry, Sir Harold Campbell, knocked on the door and said, "I demand admission in the name of the Queen."

The door was thrown open and out came the constable of the castle, Lord Harlech, who bore the key to Caernarvon on an oak tray. "Madame," he said, descending the steps, "I surrender the key of the castle into Your Majesty's hands."

The Queen returned the key to Lord Harlech and entered the ruins. The Queen's personal standard was broken above the castle.

Within the ancient walls, the Queen, accompanied by the Duke of Edinburgh in the uniform of admiral of the fleet, made her way to a silk-canopied dais, where she received 61 men and women of the public and civic life of north Wales.

Quebec Liberals Win First By-Election in Nine Years

QUEBEC (CP)—Quebec Liberals have won their first provincial by-election since 1944 and a legislature seat for their leader, George Lapalme, who has remained outside the Quebec House since he was chosen to head the party in 1950.

While carrying the traditionally Liberal constituency of Montreal-Outremont Thursday the Liberals saw the Union Nationale government retain the constituencies of Matapedia and Portneuf.

Called to fill vacancies caused by deaths, the by-elections left the standing in the legislative assembly unchanged from July 16, 1952, when general elections were held.

Standing in the 92-seat assembly: Union Nationale 68; Liberal 23; Independent 15.

Mr. Lapalme, 46-year-old Joliette, Que., lawyer, became the first Quebec Liberal leader to occupy a seat in the legislature since 1948. His predecessor, Senator Adelard Godbout, was defeated personally in general elections that year.

New Political Crisis in Italy

Loss of Socialist Support May End De Gasperi's 7-Year-Reign

ROME (UP)—A serious political crisis rocked Italy today and threatened to wreck the seven-year reign of Alcide de Gasperi as premier.

Economy Promised By PC Candidate

James George, Progressive Conservative candidate for Victoria in the forthcoming federal election addressed a meeting at the home of C. W. E. Gardner, 1180 Faithful Street, today.

Mr. George told the meeting that the Progressive Conservative party, challenged by such evils as excessive taxes resulting from extravagance and waste, restores its determination to restore efficiency and honesty to the public service, and pledges itself to reduce unnecessary taxes.

He cited what he called a few of the examples of scandalous waste such as ordering enough raincoats for the CWAC to last 50 years, and \$187,000 spent for a landscaping job for a single building.

Canada Gives Japan \$20,000 For Flood Fund

TOKYO (CP).—The Japanese Red Cross today received a gift of \$20,000 from Canada towards flood relief.

Albert Batten of Hamilton, Far East representative of the Canadian Red Cross, made the presentation at the Canadian embassy in the presence of Canadian ambassador R. W. Mayhew.

Alaskan Volcanoes Turn Violent

Five Heavy Explosions Blacken Midnight Sun

ANCHORAGE, Alaska (AP)—A black wall of acrid, sulphurous smoke spread for hundreds of miles over this land of the midnight sun today, and a thick blanket of ash sifted down from five volcanic eruptions.

The violent upheaval from three, and possibly more, newly-active peaks in the Aleutian range 80 miles west of here was touched off early Thursday.

In the next 10 hours, five heavy explosions sent flame, smoke and lava chunks shooting miles into the sky. A U.S. Air Force pilot said the smoke columns reached upward at least 50,000 feet.

Known to have ripped off their tops were 11,050-foot Mount Spurr, 10,600-foot Mount Tabor and an unnamed cone nearby 4,500 feet high. The U.S. Air Force said other volcanoes in the wilderness region across Cook Inlet may have come to life.

Smoke and ash still poured from the craters today, and the possibility was strong more eruptions would follow.

Danger to human life was slight. The spectacular volcanic display was described as the most awesome since Mount Katmai, in the valley of 10,000 smokes, went on a rampage 41 years ago.

Tons of ash fell on this city of 40,000—Alaska's largest. Runways at Elmendorf air base were covered with four inches of the reddish dust from the morning volcanic bombardment.

City lights were turned on as the black cloud blotted out the almost perpetual light of the summer months. Anchorage was cut off from the aerial traffic which is its lifeline. Both airports were closed. The Alaska Railroad laid off crews and territorial offices were shut down.

East Berlin Workers Said Planning Strike

BERLIN (AP)—A West Berlin anti-Communist organization reported East Berlin workers planned to strike again today in an effort to free comrades jailed by the Reds in the June 17 rebellion.

As starting whistles sounded at East sector factories this morning, however, there were no immediate reports to show whether the walkouts actually had taken place.

The West Berlin organization—The Fighting Group Against Inhumanity—predicted the strike action would spread "at least throughout the Soviet sector of Berlin" and perhaps into the outlying Russian-occupied territory.

Earlier this week, a two-day work slowdown by East sector laborers won the lifting of the Russians' armed barricade along divided city. But the aroused workers were far from satisfied with their partial victory. Thousands of their comrades in the June uprising still are in jail. Work and food conditions are still bad despite Communist promises of improvement.

There were indications that East Germany's hard-pressed Red government would not be hard to persuade. The West Berlin newspaper Telegraf declared that a "far-reaching amnesty" for those arrested in the June revolt already is being prepared.

State Department Defies McCarthy

WASHINGTON (AP).—The state department stood its ground today in the face of Senator Joseph McCarthy's attack on its new declaration that U.S. overseas libraries can stock some Communist-written books. "Completely ridiculous," was the way the Wisconsin Republican described the department's policy order Thursday. He sent a sharp summons to Dr. Robert L. Johnson to appear next Wednesday before the senate investigations subcommittee, which McCarthy heads.

But Johnson, retiring chief of the international information agency which operates the 189 U.S. libraries in 63 foreign countries, quickly served notice he does not plan to budge.

Election Fund Charge Denied

VANCOUVER (BUP)—A source high in the Social Credit government Thursday night denied that there was any "mis-handling" of Social party campaign funds during the provincial election in the Vancouver-Burrard riding.

The government spokesman added that Stanley Wilcox, vice-president of the Burrard Social Credit Association, would be "out of order" if he carried out his threat to resign his office at a federal nominating convention.

Mr. Wilcox made the charge, and threat, that officials acted "unethically" in matters of finance. He said one of his grounds for resignation would be that "one of (Premier W. A. C.) Bennett's boys is being favored."

Early Start Seen on St. Lawrence Project

Unofficial Report Says New York Move To Join Canada in Job Now Approved

TORONTO (BUP)—A week-end international conference was planned today to renew talks of an early start on the St. Lawrence Seaway in the light of a promising decision reported made in Washington.

Pearkes Hits Spending By Govt. Agency

A charge of "wasteful spending" was laid at the door of Central Mortgage and Housing Corporation by Maj.-Gen. G. R. Pearkes, VC, Esquimalt-Saanich Progressive Conservative candidate, at a Strawberry Vale Community Hall meeting Thursday night.

He claimed the federal government agency is not giving the taxpayers full value for their money, and is falling in its job of providing houses for Canadians.

"While the shortage of homes has almost doubled in three years, the CMHC has bought a 200-acre park on the outskirts of Ottawa as a site for a magnificent palace-type of headquarters for its staff," the candidate claimed.

The land, he said, was bought at the high price of \$820 an acre, and an auditorium is being built in the headquarters with a specially-designed spring floor for dancing.

He said the number of houses being built under CMHC is declining annually when it should be increasing.

"It is time somebody stepped in and stopped this wasteful spending," Gen. Pearkes said.

He said a Conservative government would call an immediate conference of interested parties and then put into effect the first steps leading to a full-scale national health insurance program.

"I do not believe in the introduction of state medicine," he said. "The plan must meet

with the approval of municipal and provincial authorities, and the medical societies must be consulted, as the success of any plan rests to a large extent upon their approval."

He said he was "wholly delighted" with news of the decision on the five-year-old application.

"The U.S. authorities, I believe, are now in a position to set up the necessary boards to work under the International Joint Power Commission."

Saunders had said before that a quick start was possible—even by next fall—because Hydro had an 18-month headstart after gathering data along the St. Lawrence.

YOUR DENTAL HEALTH

Tell Child Truth About Dentists

(This is one of a series of articles prepared by the B.C. Dental Association as a public service. They will appear daily except Saturdays.)

People love to brag about their operations, their illnesses and their sufferings in the dental chair. By exaggeration, they hope to show their courage, or ability to withstand various forms of torture.

Unguarded conversation of this sort, in the presence of young children, are largely responsible for the difficulty sometimes experienced in bringing children to the dental office for care of teeth. So often, children go through life as what might be called dental cripples, simply because parents or other older people have planted misleading ideas in their young and impressionable minds, and it has been found next to impossible to induce them to permit treatment of any kind from doctor or dentist.

The time of torture in dental offices is past, long since. Modern methods now universally in use make it possible to avoid

all but the most minor forms of discomfort. A child trained to accept simple injuries experienced in everyday life without complaint will have no difficulty in undergoing any form of dental treatment.

But children are quick to detect falsehoods. A child should never be told that there will be no pain associated with dental treatment. And particularly, the fussing parent must not stand behind the chair and say "Now, it won't hurt a bit, dear." Let there be the very slightest suggestion of pain, after such a remark, and the child will promptly lose all faith in similar assurances. The place for the parent is in the reception room. Leave the helpful (?) remarks to the dentist and his assistant.

No greater service can be given by parents to the child than to teach it to regard minor discomforts as of no concern—to be tolerated without fussiness. The normal child, so trained, is often a better patient than its parents.

NGVA SCOTIAN DROWNS WHEN 'SEA MONSTER' ATTACKS BOAT

SYDNEY, N.S. (BUP)—A "sea monster," believed to be a hammerhead shark, rammed and overturned a Cape Breton lobster boat Thursday and caused the drowning of a 26-year-old fisherman.

The fish ran into the boat about 100 yards off shore and tore a two-foot hole in the side of the craft. John McLeod, 21, who was rescued from the water, said the fish was "savage" and leaped six feet in the air at one time.

"I've never seen anything like it," he said.

McLeod was saved by Charles Rafuse, who saw the battle from shore and rowed out to pick up survivors. He found McLeod frightened and clinging to the side of the battered boat. John D. Burns of Forchu, couldn't hang onto the boat and drowned.

Calgary Stampede Heading for Record

Gay, Wild West Show Plays to Packed Stands In Spite of Blistering Heat; Broncs Fierce

CALGARY (BUP)—Stampede merry-makers swarmed to get in on the second-last day of the wild west's most color-packed show, today, as the breathless tempo of events persisted despite scorching weather.

It was the hottest day of the year for the city on Thursday, but thousands of persons sweltering in western clothes and 10-gallon stetsons trooped to the stampede grounds under a blazing sun—and liked it.

In the downtown area and at the fairgrounds, the mercury shot up to 83 degrees, the hottest temperature here since 86 degrees was registered last September.

"Two more days of this is all we ask," a stampede official said. "Just let the weather continue like this until the end of the week and we'll have figures that will beat last year's attendance record all hollow."

The 1952 turnout was 433,000 for the week, an all-time high.

FIGURES TOPPED

The official said there were "all indications" that another high in attendance was reached Thursday. The three previous days saw the figures for the same three days last year topped by a total of more than 18,000 persons.

If the hot weather didn't bother the crowds any, it certainly made a difference to the horses.

The wild broncs were particularly fierce, making even the best of the cowboy rough-riders "bite the dust."

Deb Copenhaver of Spokane, Wash., made the best ride of the day and the week so far, garnering 356 points to take top money in the second round of the featured North American bronc riding championships. The ride also put him at the top of the list for the three-horse battle with 689 points, five better than early

Delegate Gives Report On Rotary Convention

A report on his attendance at the 44th Rotary International Convention at Paris was made to Victoria Rotarians at an Empress luncheon by Frank Doherty Thursday.

Recently returned, Mr. Doherty was in the French capital 10 days.

He was one of the 15,000 Rotarians to attend, he said. On his way home he visited England during the Coronation holiday. He saw the impressive ceremonies on television.

He also visited Ireland and brought a pennant to his home club from the Rotary Club of Bangor.

A Vancouver man who appealed to Magistrate H. C. Hall in city police court Wednesday for leniency on the grounds "I don't make a habit of being drunk in a public place" did not get any sympathy. He was fined the usual \$10 or three days in jail. He paid the fine.

Thursday morning he was back in the same court, considerably subdued, charged with the same offense. For the second offense the penalty was \$25 or 10 days in jail.

Victoria motorists have bought so much safety tape from Junior Chamber of Commerce safety campaigners that the supply is almost exhausted.

The vivid reflector tape is being sold by Jaycees in centres across Canada. When applied to car bumpers it makes the vehicle visible at great distances during night driving.

Though more tape has been ordered there is only enough to equip 50 cars left now, according to the Jaycees officials.

Tyees Win Again

Dollins in Form, Eks Here Tonight

Victoria 5, Calgary 2

By BILL WALKER

It's funny what just one victory will do for a ball club.

Take Victoria Tyees for example.

Up until Wednesday night the Tyees couldn't seem to get out of their own way. Everything they did was wrong. They lost ball games in the most peculiar manner possible.

One player even suggested that the club was "loaded with mental errors" following five straight defeats at the hands of Salem Senators to start the second half of the WIL race.

Two losses to Calgary Monday and Tuesday here seemed to bear out that theory.

Then came "Bill Prior Night" Wednesday, and the Tyees won their first win in 11 starts. Even that was a struggle.

But Thursday night, things were different. There was an air of relaxation about the club—in the dressing room, on the field, and in the game. The players were more alert, less tense, and they were talking it up.

A two-run homer by Rocky Tedesco of the Stamps in the third inning which gave the Stamps first blood, failed to upset this mood.

FOUR-RUN FRAME

The Tyees came back in their half of the inning for four runs on a pair of walks to Bob Moniz and Don Pries, a single by Grady Gladstone, a double by Chuck A'erna'ny and a two-run single by Dwayne Helbig.

A tight pitcher's battle followed between Calgary's Glen Hittner and the Tyees' Earl Dollins. Hittner was the first to crack as Pries tripled with two out in the seventh and Gladstone singled him home for the fifth Victoria run.

Then came the crucial tie—the ninth inning, an inning which had been pure poison to the Tyees of late. And the Stamps applied the pressure again. But this time the Tyees held.

DOLLINS STEADY

Dollins, who had hurled five-hit ball and was never in serious trouble except for Tedesco's blow, walked the bases full of Cowboys, the third pass coming with two out and after he had struck out the always dangerous Gene Lillard who represented the tying run.

Pinch-hitter Bill Stites was now the key man and Dollins got him on a weak infield tap to give the Tyees their second straight victory, 5-2. Dollins struck out 10 in one of his top performances of the season.

ESKS TONIGHT

Loose as they might be, the Tyees will have to prove it all over again tonight as they face Edmonton's dangerous Eskimos in the first of three games, the series concluding with a split double-header Saturday.

Bob Drilling will pitch for the "Family Night" crowd tonight (only father pays), and Pete Younie gets the starting assignment Saturday afternoon. Saturday night the club pays tribute to baseball's 11th anniversary. Stephens, who leaves for Vancouver next week.

Game time tonight is 8.

No Baseball for Ted This Season

SAN FRANCISCO (AP)—Marine Capt. Ted Williams returned to the United States Thursday from air combat service in Korea and firmly ruled out any possibility that he would return to baseball this season.

The famed Boston Red Sox hitter said he might get back into the game next season, provided the Red Sox "want to fool around with old men." Williams will be 35 next month.

U.S. Netters Lead Japan in Zone Play

VANCOUVER (CP)—Riding a two-game cushion in the best-of-five round, the United States Davis Cup tennis team is favored to sweep today's doubles here and win their zone tie from Japan.

But a shaky start by playing captain Tony Trabert, a 23-year-old "veteran" from Cincinnati, in the first of Thursday's two opening singles matches had a sun-baked crowd of 1,600 anticipating a major upset.

Trabert, matched with Kosei Kameo, Japan's second-ranked singles player, had to come from behind a two-set edge to win. He won out 4-6, 1-6, 6-1, 6-2, 6-2.

In the second match, Hamilton Richardson swept aside Atsushi Miyagi in straight sets 6-0, 6-3, 8-6.

Trabert named himself and 31-year-old Tom Brown to play the doubles match today as Japanese team captain Jiro Yamane decided to play today's singles contestants.

If Japan wins today, the round will be decided in two final singles matches Saturday.

Victoria Shamrocks, holding an eight-point lead over the rest of the Intercity Lacrosse League, will make one line-up change for tonight's game with PNE Indians at Vancouver Forum.

Coach Red McMillan has announced that veteran Norm Coates will replace Tommy Druce on defense. Otherwise the club will floor the same line-up that defeated New Westminster Salmonbellies Wednesday night.

Indians are currently in second place. A Shamrock victory would put them in a solid position to nail down the league championship.

Benn's Single Gives Aces Narrow Victory

Butler's Aces 4, Capital City 3

Second baseman Willie Benn of Butler's Aces, broke up an interesting game at Central Park Thursday night when he singled to drive in Ronnie Benn in the ninth inning to give Aces a 4-3 win over the league-leading Capital City nine.

The two points moved Aces into a tie for second place in the Senior A Men's Softball League and practically put them out of reach of the fourth-place Navy team.

The game had just about everything including a threatened free-for-all in the sixth inning.

No love is lost between Aces and Gasmen and when Jimmy Morrison stepped on Ronnie Benn's foot at first base on an infield out, Benn turned and went after Morrison.

Base umpire Joe Travis got between the players, but he couldn't keep everyone back and John Furmston flicked out his glove hand and knocked off Morrison's hat.

Travis thumbed Furmston out of the game and things quieted down until Willie Benn picked up dirt and threw it in the direction of the Gasmen's bench.

Goegan was hit and went after Benn, but again the action was all in words. Finally plate umpire Henry Harris broke up the ruckus and play resumed.

Archie Sluggert had to pitch in from right field to pitch for the Aces after Furmston was chased and was in a tough situation trying to preserve a 3-2 lead.

The Gasmen had scored the first run of the game in the initial inning, but had gone ahead 2-0 in the second on a long home run by Bill Reynolds.

Aces took the lead for the first time in the third, driving

TORONTO (CP)—The colorful Canadian Open golf championship, swinging into the third round today, held a roseate tinge for the Saskatchewan prairie country all because of big Pat Fletcher.

The onslaught of the American invasion was expected. It's an annual affair, and when the halfway mark was reached Thursday the 36-hole leaders were a quartet of the tourists of the pro circuit, each with 136, six strokes under Scarborough's par for the distance.

A single stroke behind, bracketed with three other Americans, was the phlegmatic Leo Blagetti from the Saskatchewan Golf and Country Club, Saskatoon.

The leaders after two days of par-breaking and weird incidents—including a rousing hole in one by amateur Bill Givins—were Gardner Dickenson of Panama City, Fla., Wally Ulrich of St. Paul, Minn., Leo Blagetti of Baltimore and Ted Kroil of Utica, N.Y.

Tied at 137 with Fletcher were Tommy Bolt of Houston, Texas, and Fred Hawkins.

OTHERS CLOSE

Behind them came a long string of Americans all the way through 138, 139 and 140. The one-under-par 141 American ranks were broken by Gordie Brydson of the Toronto Mississauga club.

Only two strokes off the pace at 138 came six Americans, any of whom might uncork a hot round and spurt to the front. They are Marty Furgol, Max Evans, Shelly Mayfield, Ansel Snow, Harold Paddock, Jr., and Dave Douglas. Snow gave Scarborough's front-line par of 36 a savage beating with 31 but couldn't keep up the pace and came back in 36, one over.

NEVER IN ROUGH

Fletcher played beautiful golf, his 68 cutting a stroke off his opening round of 69. Up to the halfway mark in this tournament big Pat has never been in the rough. He never missed a green Thursday.

While hardy Scots are bursting their lungs blowing up bagpipes or dancing the Reel O'Tullock at the Highland Games, July 18, some of the provinces finest track and field performers will be strutting their stuff on the local green at Macdonald Park.

The YMCA track team will have a large entry on hand while teams are expected from Vancouver and Seattle.

Newly-crowned juvenile Canadian champion Terry Tobacco of Cumberland will run out of the local stable. The 17-year-old youngster skipped over the cinders in 9.8 in winning his 100-yard title in Winnipeg last week-end. He'll enter the under 20-years 100 and 220 for Bruce Humber's "Y" squad, along with Jim Kennett in the 100.

In the open sprints Bob Hutchison will carry the local colors in both the 100 and 220 while Gordy Pynn will enter the century and broad jump.

Long striding Cliff Salmond, who won the half, mile and five-mile titles at the Highland Games last year will be hard pressed by his own teammates in the mile, the only event he'll enter this year.

Big Bill Parnell will be marked as the man to beat in this event. Other "Y" entries in the four lapper will be Don Burgess and Phil Matson. Matson and Parnell will also run the half.

In the junior division Pete Kirchner, along with young Brian Whittingham, will run the mile while Bill Gelling is slated for the 880. In the junior

quarter-mile Ted Whan and Jim Kennett will run.

Whan will also enter the junior broad jump.

In the field events Tommy Tucker will throw the discus while Lanky Frank Lewis will be straining to jump six feet. In his last two times out he has been cheated of his ambition by a fraction of an inch. Don Wilson will also jump in this event.

The "Y's" phenomenal string of wins in the relay will be defended by a team picked from Whan, Kennett, Pynn, Hutchison and Tobacco, who will each run a 220.

Ben Hogan Wins British Golf Title

Sets Course Record of 68 For 282 Total

CARNOUSTIE, Scotland (UP)—Bantam Ben Hogan put on as gallant a performance as ever has been seen in this birthplace of golf today to win the British Open championship.

Saving his most superb golf for the final round, the 40-year-old U.S. Open champion broke the competitive record for the ancient Carnoustie course with a four-under-par 68 that gave him a 72-hole total of 282 strokes. He had shot a morning round 70.

The victory made Hogan the third player in history ever to win both the British and the U.S. Open crowns in the same year. Bobby Jones, in 1930, and Gene Sarazen, in 1932, were the only players ever to turn the feat before Hogan.

Steel-nerved Hogan, who started today's final 36 holes two strokes behind the lead, staged a magnificent rally to win. His game faltered briefly on the morning round but each time he came back with birdies. And when the third round was over, he was tied at 214 with young Roberto de Vicenzo of Argentina for first place.

Then, while much younger men in far better physical shape wilted under the terrific pressure, icy-nerved Hogan laid out the bunker-pocked Carnoustie course to clinch the championship with a record round.

He finished four strokes ahead of Stranahan and Rees, diminutive Welshman, and Australia's Peter Thomson, runner-up to Bobby Locke last year, all of whom registered earlier with 286s. He had rounds of 73-71-70-68.

Rees carded a fourth-round 71, which put him in a tie with Stranahan at 286.

CLOSES STRONG

Stranahan, the only amateur among the 49 golfers to qualify for today's 36-hole final, sank a 30-foot putt for a spectacular eagle three on the long 18th hole. His putting touch deserted him on the outgoing nine as he shot a 37, but returned as he shot a course record 32 for the last nine holes. He one-putted the last six greens.

De Vicenzo's bid for the title was snuffed out when he shot a 35 on the incoming nine for a 73. That gave him a 72-hole total of 287 strokes, one behind Frank Stranahan and Dai Rees.

TWO for the SHOW

By PHIL LEE

AA (Oscar class). BB (Worthwhile).
A (Don't miss). B (For rainy days).
C (To put in time).

(BB AND A) "FORT TI" (ODEON): Producer Sam Katzman, who deals in mountainous apes, leopard women, zombies and zest, comes up with a lollapalooza in the first three-dimensional gunsmoke.

Hence the double rating. The BB (worthwhile) rating is for the plot, an average run-of-the-mill action cowboy-soldier-Indian-horse-gun-scalp 'um affair that stars George Montgomery and nifty Joan Vohs. The A (don't miss) rating is for the 3-D.

"Fort Ti," quite candidly, would be a fair-to-middlin' show for those who dote on westerns, or for someone seeking a place to sleep off the night before. But with 3-D, before you know it, you're becoming a mite hepped up as you dodge flaming arrows shot into your face, rough-and-tumble it with acres of Indians, Rogers' Rangers and "redcoats." And the last thing you do before leaving the theatre is to feel for your glasses, your teeth and your hair. It's kind of a relief to know you haven't been scalped.

Mr. Walter Disney, quoted abroad recently as saying that he thought the days of 3-D

were numbered because people won't put up with wearing glasses, may be right. But what about "CinemaScope"? It's just around the corner. With this method you get the depth illusion without the goggles. I see where they are currently photographing the Calgary Stampede with the gadget. Will be interesting to view it.

It would be a pity to give up the depth. It makes such a wonderful difference. I hope Mr. Disney is wrong.

(A) "SCARED STIFF" (ROYAL): The "don't miss" rating is particularly for the Dean Martin and Jerry Lewis fans. Some people can't stand them.

Personally, I couldn't stand them once either. But I've learned to relax and guffaw along with the rest of the rabble... and feel better for it.

This is a very funny piece about the zany who go along with Elizabeth Scott to protect her from the "other world".

horrors inhabiting a South Seas island which is bequeathed to her. There are clutching hands, "dead" eyes through peepholes, clanking of chains, assorted groans and some good, honest bellylaughs.

There's also a good "do" when Jerry Lewis takes off Carmen Miranda. Plus some easy-to-listen-to warbling by Martin.

And speaking of Carmen Miranda. What happens? Once the rage, she seemed to become more silent than the Arabs. Anyway, she's back again and for my money she's tremendous. A true personality. The screen needs her. Let's have more of Carmen Miranda.

NOTE: Owing to a political meeting occupying the theatre Friday "SCARED STIFF" will start again Saturday.

City's Main Traffic Volume to Flow in Five-Lane Stream

Here is a sketch of the proposed channelling of traffic at the intersection of Douglas Street and Victoria's new Island Highway outlet at Regina Avenue. The provincial public works department hopes to complete work on the intersection by fall. The intersection will handle traffic to and from up-Island and the Saanich Peninsula. On the immediate city side there will be

five traffic lanes, narrowing to four farther south on Douglas. Up-Island traffic, coming and going, will have a clear non-stop route through the intersection, as will traffic going from the city to Sidney. But traffic coming from Sidney to the city will have to stop in the intersection. Traffic coming from up-Island and heading for Sidney will be channelled into a cut-off and stopped on the Victoria-Sidney route before entering. Traffic coming from Sidney and wanting to get onto the Island Highway also will use the cut-off and will have to stop before entering the Island Highway traffic stream. Traffic islands will separate incoming and outgoing up-Island traffic and Sidney traffic. Provision is made for a future traffic light in the intersection.

BETWEEN TIMES

By MONTE ROBERTS

Several days ago, Between Times opened with the words: "Trying to win the five-em dash." A constituent with a well-developed bump of curiosity has written to ask, what is this five-em dash? And I am glad to answer. It is a little short line, as follows:

For the columnist, it is the greatest invention since the wheel. It enables a columnist who is too incompetent to build a full column on one coherent thought, to fill up the space with a bunch of shorties. Some of which the columnist hopes are funny.

As for instance: An advertisement in Geoff Edgell's weekly "Island Digest" says: "SEE... Two Mummies (Unwrapped)... Sir Ralph's Museum opposite Empress Hotel." Good heavens, doing a strip tease at their age! What on earth will their children think?

CCF Leader M. J. Coldwell, in a national radio broadcast made from his Saskatchewan stronghold, said his party proposes a host of social benefits, including a "good kitchen sink and a first class bathroom" in every home. This is the first time in history a politician has not been content to promise everything but the kitchen sink.

Incidentally, the bathroom plank in the CCF platform is going to cost the B.O. plenty vote, and the support of all right-thinking boys under 12.

I see where the housing shortage has extended to the Social Credit party in B.C. Mrs. Rolston and Mr. Gunderson have Mr. Bennett's okay to be members of the cabinet, but, so far, the electorate has forbidden them to sit in the House. I do hope the session doesn't last too long. I hate to think of Mr. Gunderson and Mrs. Rolston sitting outside in the garden, in the rain and the cold, because they aren't allowed in the house.

Suggested motto for all good Socreds everywhere: If at first you don't elect, vote, vote again.

Hope Hon. Mr. Bennett and Rt. Hon. Louis St. Laurent have an opportunity to get together for a chat today. After all, they are both THE Prime Minister... it says somewhere.

TOPICS OF THE TIMES

City police said considerable damage was done to cars driven by Thomas R. Smithson, 736 Roderick, and Desmond F. O'Leary, 469 Admirals, when they collided at Craigflower and Pine at 11:24 p.m. Thursday. No one was hurt.

Mayor Claude Harrison was at Patricia Bay airport this afternoon, to greet Prime Minister Louis St. Laurent.

Mayor Claude Harrison today named Ald. Arthur Dowell and Ald. Brent Murdoch council representatives to attend the Vancouver in October. The mayor, City Solicitor Arthur Patton and City Engineer Cecil Wyatt will also attend.

A fine of \$35 was imposed against James W. Stewart, 82 San Jose, when he pleaded guilty in city police court today to a charge of careless driving. Charge arose from a June 27 collision at Government and View. His car was not damaged, but about \$200 damage was done to the other, the court was informed.

About 1,300,000 board feet of cold-dried logs were destroyed by a forest fire at Smiley River, near Bella Coola, Thursday. Fifty firefighters have brought the 150-acre blaze under control.

There are 49 fires burning in B.C. Paine & Townsend Ltd. of Victoria submitted the lowest tender—\$37,464—to the provincial public works department for construction of a bridge over Colquhoun River on Victoria's new Island Highway outlet.

Representative of the Bishop of Bristol, England, in relations between labor and industry, Rev. John Ragg, M.A. will address Victorian Rotary here Thursday.

Rev. Ragg will speak on "The Church and Industry." He is a Bristol Rotary member.

Plans for a new city-owned subdivision near the site of the former Pemberton Park will be registered today with Land Registry office. The plan contains about 10 lots near Madison and Metcalfe Streets.

The Canadian National Railway Veterans' Association will hold their annual picnic Saturday at 2 in Beacon Hill Park.

United Church mission work on the West Coast of Vancouver Island will recommence with the arrival at Bamfield this month of the M.V. Melvin Swartout.

Began many years ago, the work was discontinued in 1941 when no minister was available in Canada who was qualified to operate the mission boat.

IWA LOCAL WILL VOTE ON REPORT

Five-Cent Wage Hike Suggested

Victoria local of the International Woodworkers of America will meet Monday night to consider the unanimous conciliation board report on a new wage agreement.

The district executive committee has already recommended that the 32,000 coast lumber workers accept the award. The local meeting Monday is expected to endorse this recommendation.

The matter of acceptance or rejection will then be decided by the individual union members in a secret ballot to be held on the job later in the week.

In a radio broadcast Thursday night, Joe Morris, union president in B.C., said the report had been accepted by the executive and "I urge IWA members to endorse this recommendation."

INCREASE IN PAY The board recommended a five-cent general wage increase and incorporation of a nine-cent cost-of-living bonus to boost basic pay to \$1.49 hourly.

Victoria union officials feel the only really disappointing feature of the board's report is that it did not recommend union shop provision for the new contract.

There are about 1,450 members in the Victoria IWA local.

Cloudy Sky For Week-End Predicted

Sunbathers will have to contend with clouds over the week-end.

A storm reported 700 miles off the Washington coast Thursday has moved closer and holds a threat to week-end outdoor types here.

The extensive low pressure area is predicted to cause increasing cloudiness. It is moving slowly eastward.

This is the forecast for Saturday and weatherman William Mackie expects Saturday to be fairly bright and the sun to shine at frequent intervals.

Southwest winds of 15 miles per hour will make temperatures cooler for the week-end. Saturday's high is predicted to be 72 with a low of 55.

Meanwhile the cooler weather and higher moisture content in the air may check B.C.'s forest fire hazard.

United Church Resuming Mission on West Coast

United Church mission work on the West Coast of Vancouver Island will recommence with the arrival at Bamfield this month of the M.V. Melvin Swartout.

Arrival of Newly-Elected MLA's Gives Rise to Resignation Rumors

Political circles are speculating today that successful Social Credit candidates Tom Bate, Vancouver-Point Grey, and J. A. Reid, Salmon Arm, may be the M.L.A.'s-elect who will resign their seats to allow by-elections.

Premier Bennett has said there will be by-elections in an effort to seat his two defeated cabinet ministers, Finance Minister Einar Gunderson and Education Minister Tilly Rolston.

Point Grey's and Salmon Arm's successful candidates arrived in Victoria this morning to confer with Premier Bennett. This is exactly the same pattern followed last year when R. O. Newton, who had been elected in Columbia, and Rev. Harry Francis, Similkameen, resigned to allow Attorney-General Bonner and Finance Minister Einar Gunderson to contest seats in by-elections.

They, too, arrived in the city, talked with the premier and soon after resigned.

But Mr. Bate and Mr. Reid insist they are in the capital simply on business.

Premier Bennett this morning declined to say when the by-elections will be called.

He said he's never said they'd be in the fall. He said they'd be called "in due course."

Some observers wondered if the premier is considering calling snap by-elections to get them

out of the way as soon as possible—possibly before the September-15 session.

Meanwhile, the cabinet is meeting today with a heavy agenda. Some of these unanswered questions will be threshed out.

In order to resign before the

first meeting of a new Legislature when there is no Speaker, a member-elect must inform in writing two others members-elect of his intention. These latter two members-elect in turn inform the deputy provincial secretary who issues the election writ.

Dragon Drops Astern As Wind Fails Racers

Lack of a fair wind has forced Victoria's entry in the Honolulu ocean race back to approximately 20th position, leading a group of some 10 ships.

Capt. W. B. Holmes' big ketch Dragon has dropped back along with other big vessels as the smaller craft move up.

Meanwhile, front runners in the race were past the halfway mark today. It appeared that Richard Rheem's Morning Star and Ralph Larrabee's Goodwill were in a struggle for the lead position.

They are about 1,250 miles from the finish line in the 2,225-mile race.

CLOSE BEHIND

The Chubasco and L'Apache were reported to be sailing

about 30 miles behind. On the basis of handicaps the little 40-foot ketch Staghound of Newport Beach, Calif., is ahead, Thad Jones, race coordinator reports.

At the time handicap placements were figured Thursday the Staghound was 1,507 miles from Honolulu.

Dragon is in 24th position by handicap placing. Mrs. Holmes reports, from communication with California radio, that she is north of the Goodwill and Morning Star. The latter two are hoping they will pick up the trade winds in the south, while Dragon charts a more direct route.

Earlier, Dragon was reported to have logged 170 miles in 24 hours to 8 a.m. Thursday, for a total of nearly 800 miles.

OLD REGULAR THANKS COURT FOR 30 DAYS

"Old Bill," veteran member of the city police court drunk parade, was very docile when he appeared in court today charged with a third offense.

He was picked up staggering on the city streets during the night. He pleaded guilty, admitted two previous offenses.

When Magistrate H. C. Hall ruled, "This time you will be sentenced to 30 days," Bill waved his hand and said, "Thank you very much."

Usual sentence for a third-time is 20 days in jail. There is no option of a fine.

Premier Bennett said today his cabinet ministers will not be sworn into office by Lieutenant-Governor Clarence Wallace. He felt a re-swearing unnecessary because there are no cabinet changes.

20-PINT BLOOD DONORS WIN MASSEY CERTIFICATE

Nine 20-pint blood donors have been honored by the Red Cross here by presentation of a certificate signed by Governor-General Vincent Massey and a gold maple leaf pin.

Climbing the honor ladder has become a popular project with many Victorians. Blood clinic officials state that once a person has won the bronze badge which represents three donations, the urge to win the silver and gold pins boosts blood totals greatly.

A silver pin is given for six pints donated, a gold pin for ten. The gold maple leaf and certificate which mark 20-pint donors has become a respected insignia across the nation.

Maple Leaf winners announced today are: Miss Alice Jones, Miss Phyllis Capes, Mrs. G. A. D. Kealy, A. J. Knight,

T. C. Hamilton, T. B. Dunn, W. A. Mooney, WOJ W. J. Smith, RCA, and J. Pagan.

New donors are urgently needed by the Red Cross. Registration may be made at Red Cross House, 1046 Fort, or at the four-day July clinic.

The clinic will operate on Tuesday at Red Cross House, Wednesday and Thursday at HMCS Naden and on Friday at the Parliament Buildings.

HOURS ANNOUNCED Hours at Red Cross House are from 1:30 p.m. to 4:30 p.m. At Naden and the Parliament Buildings hours are from 9:30 a.m. to noon and from 1:30 p.m. to 4:30 p.m.

Members of the Pro Patria Branch, Canadian Legion, will attend the afternoon clinic on Tuesday and ladies of the Altru Club will donate blood at the evening clinic.

SOLITARY CONFINEMENT REFINED

DVA Hospital Showers Comforts on Newsman

Tom Merriman, Times feature editor, is in Veterans' Hospital following a heart attack. Tom, who has been in the hospital for several days, never spoke writing.

Dear Boss: You can't shut me up like you did in yesterday's Times; or rather you can, but I don't think it's quite fair or fraternal like.

It leaves a morbid picture of a chap in solitary confinement with bars on the window; full of self-pity and sorrow for himself. The picture now is all changed. Merriman

This solitary confinement, for instance, sounds pretty grim but nobody ever had it better. A posh room in what I am firmly convinced must be the finest

hospital on the continent; picture window overlooking the greenest, best-kept lawns you ever saw centred with four square beds of roses, the whole bordered by stately old oak trees.

Then the attention! It is beyond imagination if you have never been here.

Some of the staff must sit up nights figuring out more ways to take the ill out of illness.

Naming no names to keep out of trouble, after a couple of weeks here, from the matron down, all the nurses seem like personal pals. There are only two I am afraid of.

They are beautiful, vivacious, charming, but at times they can be so stern they scare me. There are three orderlies in particular here who must have

been sick men themselves at one time. I can't imagine how, otherwise, they could anticipate a patient's wishes and problems as they do and carry them out so cheerfully.

And to keep the record clear I am now feeling like a new man.

Dr. Sinclair was in yesterday with enough gadgets to build a linotype.

With a master's touch he jabbed in some three or four-inch needles here and there and drained off some sap.

MIRACLE WORKER The man is a miracle worker. There was no pain, no discomfort, and today I think if I had to I could go out and heave coal for Walter Walker.

If you ever get sick, boss, you should certainly aim for the DVA Hospital.

Even navy and air force men can qualify, just like infantrymen.

This is definitely the last letter and I am hoping you will give me a chance to put myself in the clear on the impression I am afraid I created of doing solitary in a barred cell.

I never had it better. And boss, as for the amazing—coming from you to a reporter—instruction to "relax and don't worry about work," okay. It's in the bag. The pleasure is all mine. It shall be obeyed to the letter.

Can't pass up a chance like that.

After all, it's my heart that's a little weak, not my head. Next time you hear from me will be able to say I am holidaying in San Francisco and running short of money.

Mayor Greet 300 U.S. Scouts

Visitors First of 2,000 on Way To Huge Jamboree in California

International good-will was bolstered today when a number of Victoria Boy Scouts were hosts to 300 wedge-capped khaki-clad Scouts from the United States.

Extending the left hand of Scout friendship, the hand nearest the heart, were 25 city boys who will attend the second annual Canadian Boy Scout jamboree at Ottawa later this month.

The American Scouts are en route to a big Scout jamboree in California. They are the fore-runners of a possible 2,000 Scouts from below the border who will make a side trip to Victoria during their trek.

The Scouts arriving today lunched on the ship bringing them here. Later groups will enjoy box lunches in Beacon Hill Park or a meal in the Douglas Building cafeteria.

The disembaroking Scouts were met on the west driveway of the Parliament Building lawns by their young hosts and by civic and government officials.

Mayor Claude Harrison bid them welcome before they fell in for a smart march past and display of "Old Glory" and the Union Jack. A guard of honor of scarlet-coated RCMP and two young kilts pipers, Jamie Troy and Jeannie Burns, also acted as greeters.

The visitors then entered waiting buses for a sightseeing tour. Local scouts mingled with their guests in each bus to point out scenes of interest.

Following the tour, the American contingent boarded ship again for a 5:30 departure.

TOURIST FLOW Through City Sets Record

Tourists set a new record Thursday at Victoria and Island Publicity Bureau.

Eleven hundred and sixty inquiries about places to go, what to see and do, and where to stay were answered by the bureau's staff.

Previous record this year was Saturday, July 4, when 1,021 tourists visited the bureau.

22-Month Boy Second City Polio Victim

Second case of polio in Victoria city—that of a 22-month-old baby boy—was reported by medical health officials today.

First city case was that of an 18-month-old boy visiting here with his mother three weeks ago from his home in Oklahoma.

It is the third reported case in the Greater Victoria area. A young woman of Cadboro Bay was stricken in May, but has since been released from hospital. She was non-paralytic.

Elsewhere on the island a boy of nine was reported as a polio case from Union Bay and a 10-year-old girl from Duncan early in May.

They are Troop Leaders Bill Pearson, Samia; Joe Shea, St. Peter's, and Bill Snnett, St. Catherine's.

ASK THE TIMES

Q.—What did the Princess Adelaide look like, and is she still running? E.J.M.

A.—The Adelaide was a single funnel ship. Apart from the funnels her silhouette was similar to that of the Princess Charlotte. Some years ago she was sold by the CFB to Greek interests and is believed now in service in the Mediterranean.

Q.—Has Kilimanjaro, 19,720 feet, ever been scaled by a woman?

A.—Yes. A number of years ago a Miss Sheila MacDonald reached the top with the well-known climber, William West of Capetown, and the feat was repeated in 1944 by Nursing Sister Phyllis Hutchinson, whose two men companions collapsed and had to receive help. Miss Hutchinson was then stationed at the British East Africa Company's hospital at Moshi, Tanganyika.

Answers wishing a question asked to The Times, addressed to "Ask The Times" Editor, Questions and answers will be published daily. An answer should deal with matter of fact and be of general interest.

SHOPPING GUIDE

Come on, Mother... Let's Go! It's Time to Go Shopping!

By PENNY SAVER

Just dropped by to remind you that it's time to go shopping again, mother... don't groan... please! I've got more good news for you about the latest grocery prices, so how about a big smile? That's it! Are you ready? Let's go!

Here's the good news... fruit prices are continuing to slip daily. Now for some examples! Those juicy, seedless green grapes have slid from last week's price of 15 cents a pound to just 30 cents a pound. You get an extra peach for your quarter, now. They are priced at five for 25 cents. Bing cherries have dropped a penny... they are now 39 cents a pound. You can purchase the smaller bings for 20 cents a pound, though... that's better?

Raspberries and loganberries are down in price, too. The former sell at 25 cents a halfdozen, the latter at two halfdozen for 35 cents. Black currants are 30 cents a pound and watermelon, 7 cents a pound.

I haven't mentioned oranges for quite a while, have I? Well, they are now 65 cents for three dozen... that's the small, sweet and juicy ones.

In the vegetables... new corn is 25 cents for two cobs and No. 1 hot house tomatoes are 35 cents a pound. Kentucky wonder beans cost 30 cents for a pound and broad beans are 15 cents a pound. Decorate your summer salads with a bit of parsley or water cress. Both are just 10 cents a bunch.

Now for a few cuts of meat. Breast of spring lamb is 45 cents a pound. Spring lamb shoulder is 53 cents a pound.

Ground steak is 49 cents a pound and so are pork sausages.

Fresh fillet of salmon trout is priced at 55 cents a pound, white spring salmon is 50 cents a pound and red spring salmon is 65 cents a pound.

That's all today!

Women's Institute Will Give Luncheon

Lake Hill Women's Institute, at a recent meeting, decided to give a luncheon to overseas delegates of Associated Country Women of the World, who will convene in Toronto in August. A group of the delegates plan to tour Vancouver Island following conclusion of the conference. It was decided to ask the YWCA to send a guest speaker to address a full meeting on their new Big Sister movement. Plans for the annual picnic, July 23, were discussed. At conclusion of the meeting a special tea was arranged honoring Mrs. T. W. McGregor on her 25th wedding anniversary. A corsage of red rosebuds and a silver and crystal dish were presented to Mrs. McGregor. Mrs. Gilbert Howland and Mrs. W. S. Webster were joint hostesses. Mrs. Roscoe Myles presided at the meeting.

QUEEN'S PRESENT

LONDON (CP) — Among the Queen's beautiful Coronation gifts is a diamond and aquamarine necklace with matching earrings, a gift from the government of Brazil.

The South American country mines fine aquamarines and the 647 diamonds and aquamarines used are exceptionally good and well matched. They were set by London craftsmen in platinum.

Unfaithful Husband Rates New Chance, If He's Sorry

By ELIZABETH B. HURLOCK, PhD

It is very hard for a woman to forgive her husband when he has had an affair with another woman. But if she can do so she may keep her marriage from going on the rocks. That is what this woman has found out:

(Q) — "My husband told me he had an affair with a married woman who is a friend of ours. My husband is so sorry for the mistake he made and is doing everything possible to make it all up to me. He wants me by his side everywhere he goes. He never was in love with this woman and never intended to leave me for her. He admits he was a willing victim. He told me if I left him because of this affair he would not blame me but that he would never go out with this woman again. He says he loves me and thanks God for my forgiveness. Did I do the right thing in forgiving him? Most of my friends feel I was foolish."

(A) — You were not foolish to forgive your husband. All people make mistakes at some time or other in their lives. If they acknowledge the mistakes and ask forgiveness, of course they should be forgiven.

Accept his explanations and requests for forgiveness and then forget about the whole matter. Act as if it had never happened and never refer to it again. If your husband brings it up, say, "That is over and done with. Let's forget it."

The woman who is willing to do this has a far greater likelihood of a happy future than one who nurses a grudge for a life time.

To Attend the Davis Cup Tie

His Honor the Lieutenant-Governor and Mrs. Clarence Wallace left for Vancouver this afternoon where they will attend the Davis Cup matches at the Vancouver Lawn Tennis and Badminton Club on Saturday. His Honor will act as honorary referee for the tie. Cmdr. Glen McDonald will be the side-deck.

Next Wednesday in the mainland city His Honor the Lieutenant-Governor and Mrs. Wallace will officially open the annual Shaughnessy Veterans' Hospital garden party in the hospital grounds. Col. Hugh Allan, OBE, will act as side-deck.

Miss Ruth MacLean is accompanying His Honor and Mrs. Wallace to Vancouver. They will return to Government House in about a week's time.

Will Attend Altrusa Convention

Mrs. Joan Williams, president of Victoria Altrusa Club, will leave this week-end for Los Angeles, where she will represent the local club at the Altrusa international convention in that city. Mrs. Williams is a member of the local law firm of Crease, Davey, Lawson, Davis, Gordon and Baker.

Parties for Dorothy Ritchie

A shower was held recently at the home of Mrs. L. Hale, 1544 Amphion Street, by friends and neighbors of Miss Dorothy Ritchie, who is to be married this week. Contests and games were enjoyed and the presentation of miscellaneous gifts was made by sons of the hostess, Robert and Kenneth Geary, who pulled them into the room on a decorated wagon. Corsages of roses were received by the guest of honor, her mother, Mrs. Winifred Ritchie, and the groom-elect's mother, Mrs. L. G. Large.

Invited guests included Mrs. W. D. Bird, Mrs. F. Stoddart, Mrs. Dawson Sr., Mrs. F. Wood, Mrs. D. Bird, Mrs. W. Burroughs and Misses Noreen Ritchie and Ruth Frampton.

Another shower was given recently for Miss Ritchie, at the home of Mrs. J. Garner, 4130 San Ardo Place. Mothers of the bride and groom-elect received corsages of roses, and the honor guest was presented with a shower bouquet of roses to which cards were attached with information leading to the hidden kitchen gifts under a decorated umbrella. Refreshments were served, the hostess being assisted by Mrs. G. Lawrence.

Those present were Mrs. Winifred Ritchie, Mrs. L. G. Large, Mrs. H. A. Verhey, Mrs. Garner Sr., Mrs. G. Lawrence and Misses Noreen Ritchie, Ruth Frampton, Lois Martin, Juanita Campbell and Evelyn Obee.

Party Given for Small Son

Mrs. Norman Taylor entertained at her home on Montreal Street today on the occasion of the fourth birthday of her son, Gary. The refreshment table was decorated with pink and blue streamers and balloons and with "happy birthday" plates and cups and tablecloth. Centre decoration was a cookie train of 10 cars filled with candy and bringing birthday cake and a small toy train to each of the young guests. Games were played in the garden where a grab-bag and peanut scramble were enjoyed. Those present were Mr. and Mrs. J. Antrobus and Mrs. T. Taylor, grandparents of the young principal; Mrs. Irwin and David, Mrs. Thompson and Billie, Mrs. Simpson and Gordie, Mrs. Norah Robertson, Mrs. Emily Taylor, Mrs. Norman Mitchell, Douglas Andrews, Michael Antrobus, Suzie Fowler, Coolin and Diantha Polinski, Kathleen Hobbs and Noreen Taylor.

Baby Wears Family Robe

Jacqueline Ann were the names bestowed on the four-month-old daughter of Mr. and Mrs. Gordon La Roy, at a recent christening at First United Church. Rev. Frank Johnson performed the ceremony and the baby was clad in a family robe of white voile, lace and insertion. Godparents were Mrs. R. W. Randall and Mr. W. T. Patterson.

A tea in honor of the event, attended by about 30 guests, was held at the home of the maternal grandparents, Mr. and Mrs. D. Randall, 2815 Shakespeare Street. A christening cake decorated in pink and white and lettered with the baby's name was flanked with two small pink cradles containing pink sweet peas. Paternal grandparents, who were unable to be present, are Mr. and Mrs. C. S. La Roy, Golden, B.C.

Shower for Jo Bellamy

Miss Jo Bellamy, who is traveling to England in late July to be married, was honored recently with a linen and trousseau shower given by Miss Jean McCormick, 3937 LaSalle Street. Gifts were arranged in a decorated umbrella, banked with roses. Luncheon was served from a linen-covered table, centred with a miniature bride and silver candelabra.

Guests were Mrs. M. B. Bellamy, Mrs. Connie Weahaus, Mrs. J. McCormick, Mrs. Kay Kerr, Mrs. Grace McKenzie, Mrs. Pierre Pinnonault and Misses Marilyn Bellamy, Janie Kerr, Lynne Bevan, Tannis Carlson and Audrey McCormick.

McGill Student Home

Miss Jan Olsen has returned to Victoria for the summer and is staying with her parents, Dr. and Mrs. M. L. Olsen, 1543 Despard Avenue. Miss Olsen is studying for a master's degree in social work at McGill University. Arriving this week-end to visit Miss Olsen, is Miss Joan Churchill, Vancouver.

Farewell Supper Party

Miss Helen Warwick, RN, who is leaving for Bermuda this evening, was honored at a buffet supper party recently. Co-hostesses were cousins of the honor guest, Miss Robin Grant and Mrs. Gay Stone, at the home of their mother, Mrs. R. Grant, 2639 Cedar Hill Road. Those present were Mrs. Lucy Hayward, Mrs. Pat McRae and Misses Joyce Fenwick, Peggy Gonson, Corrine Patt, Dot Gray, Kit Morris, Janet Bompas and Betty Moll.

To Honor Bride-Elect

In compliment to her niece, Miss Anne Stewart, who is to be married shortly, Mrs. W. E. Corry, Cornwall Street, was hostess at a miscellaneous shower recently. Red roses, on corsage, were presented to the bride-elect, and pink carnations of the groom-elect, Mrs. V. J. Franklin. A decorated basket held gifts from the guests, who were Mrs. N. C. Stewart, Mrs. V. J. Franklin, Mrs. I. Cooper, Mrs. R. Nash, Mrs. Art Corry, Mrs. R. Rathgaber, Mrs. Percy Corry, Mrs. H. L. Smith, Mrs. S. Grist, Mrs. G. McDonald, Mrs. B. Peterson, Mrs. D. Oliver, Mrs. A. Slocumb, Mrs. E. Smith, Mrs. S. Barwick, Mrs. Arthur Corry Jr., and Misses Muriel Smith, Joan Stewart, Shirley Corry, Corrine Corry and Garry Ann Corry.

Also honoring Miss Stewart, were Mrs. G. T. Hatcher, Mrs. G. Hall and Mrs. R. Limer, who were hostesses at a shower at the home of Mrs. Hatcher, 202 Leigh Road, Langford. The honor guest received her gifts by means of a treasure hunt. Pink carnation corsages were presented to the bride-elect, her mother, and mother of the groom-elect.

Guests were Mrs. J. C. Nimmo, Mrs. H. C. Hughes, Mrs. D. Spence, Mrs. E. Williamson, Mrs. R. Fraser, Mrs. R. Nash, Mrs. T. Stubbs, Mrs. A. Arthur, Mrs. K. Gilham, Mrs. I. Cooper, Mrs. J. D. Bell and Misses Maxine Fraser, Joan Stewart, Vicky Williams, Terry Hatcher, Wendy Hatcher and Gena Hall.

Mrs. Jim McArthur with her seven-month-old daughter, Carol Anne, flew from her home in Calgary Sunday, to spend a month with her parents, Mr. and Mrs. D. B. Bennett, 3308 Doncaster Drive. Mr. McArthur will join his wife and child later this month.

Mrs. F. G. Earl and children, Lorna and Alice, have arrived from Camp Shilo, Man., to spend the summer with Mrs. Earl's parents, Mr. and Mrs. W. S. Savage, Atkins Road, Langford.

To Visit Parents in Holland

Mrs. G. A. Whittington, 1610 Earliston Avenue, is leaving Saturday with her three-year-old daughter, Marlene, to visit her parents, Mr. and Mrs. W. Berkhof in Holland. Mother and daughter will travel to New York, from where they will sail aboard the S. Veendam for Rotterdam. Mrs. Whittington, a war bride, was married by proxy in Holland in 1947, later coming to Vancouver where her husband was in the army and where the couple exchanged vows in a second marriage ceremony. Shortly after they came to Victoria, where they made their home. Mrs. Whittington and her daughter will return to the city in about five months time.

Jill Creech, Bonita Trach, Judged Best at Cordova Show

Jill, daughter of Mr. and Mrs. R. C. Creech, Doumac Avenue, Cordova Bay, was judged best baby under six months at the successful garden party and baby show held at the home of Mr. and Mrs. K. R. Genn, Farner Avenue, Wednesday. The affair was under auspices of the Women's Guild, St. David's-by-the-Sea. Bonita Marie, daughter of Mr. and Mrs. Stephen Trach, Agate Lane, Cordova Bay, won the prize in the group between six months and 18 months. Twenty babies, including two pairs of twins, were judged at the clinic conducted by Dr. J. W. E. Hunt, assisted by Mrs. J. Croft and Mrs. E. Walker of the provincial department of health.

St. Columba Garden Party

Grounds at the home of Mr. and Mrs. Hubert Savage, Grange Road, made an ideal setting for the successful garden party, Wednesday afternoon, given by members of Grange Group, St. Columba's Church. Rev. N. J. Godkin introduced Archbishop H. E. Sexton and Mrs. Sexton, who opened the fête. Mrs. A. G. Piddington, president of the group, welcomed the guests. A substantial sum was realized toward completion of the new church hall. There were various stalls and afternoon tea was served. Sylvia Rodd was kept busy as the "lady of the thousand pockets."

Games Night — A social evening for members and friends of Nazarine White Shrine No. 1, was held at K of P Hall, recently. A program of games was enjoyed by all. Mrs. J. Barnes, assisted by C. Mourish and G. Randall were in charge of bingo. Mrs. D. Willovoys, assisted by Miss A. Barnes and Mrs. I. Mowatt, operated horse racing. A. Murphy and Mrs. M. Hiquen were responsible for darts, boards and other games. Mrs. R. Monkhous obtained the most points for the evening. Refreshment convener was Miss M. Bland.

Public Health Quotes Rules To Beat Polio

Tuck these general rules in the back of your mind as a safeguard against polio this summer.

Approved by the provincial health department, they are:

1. Keep your general health up to par.
2. Get plenty of rest and don't become over tired.
3. Don't plunge overheat into cold water.
4. Put off until fall surgical operations unless needed immediately.
5. Keep the house free from flies.

Total of 84 polio-cases, and four deaths, have been reported to date this year in B.C.

Six new cases, four of them mild, were reported in the last 24 hours from North Vancouver, Penticton, Keremeos and Kamloops.

Coming Up?

American Aviation Magazine recently published this picture as the "first official Air Force drawing" of the XF-99 Boeing Bomarc, said to be a pilotless "fighter plane" designed to locate, track and ram an enemy plane. Launched from the ground, it carries an explosive warhead powerful enough to demolish an invading bomber. Its speed is reported at more than 1,500 mph.

TRACK RECORD FINALLY COMES TO LIGHT

Usually when track and field athletes get together they watch the record book carefully each time the clock has been punched. Not so a young lady from Vancouver.

Running in the junior section under 17-years-old, diminutive Rhoda Hughes of the International Brotherhood of Electrical Workers from Vancouver set a Canadian record in the 100-yard dash in Victoria, June 20, in the Vancouver Island championships.

Not until Thursday did she or her coach, Roger Wellman, discover the fact. Wellman put in a hurried call to Bruce Humber, who staged the meet here. He wants to get the official signatures on the record form and get the new mark of 11.7 seconds in the books. The old record was 11.8 seconds.

Hot Weather Blamed for Dog Attacks

Two more cases of dogs biting youngsters were recorded at Jubilee Hospital Thursday.

Several dog bites have been treated at city hospitals recently. Nurses said warm weather irritates many dogs, and warned against children patting strange canines.

Peter Evans, 3, 1775 Adanac, paused to pet a neighborhood spaniel Thursday and received bites to his face, shoulder and hand. The same dog bit his sister not long ago.

Sixteen-year-old Ross Hamilton of Sooke was treated for a bite on his leg Thursday.

SPCA officials joined in warning children not to handle strange dogs.

"The chance of rabies is small," they said today. "But certainly any bite to the face should be treated by medical personnel."

They added that small skin punctures away from the face can normally be treated safely at home with antiseptics.

Westminster Funeral For Alfred H. Oakley

Funeral services were held in New Westminster this week for Alfred Henry Oakley, 93, former Victoria resident, who died at Royal Columbian Hospital.

Two sons, Alfred and Everett Oakley, reside here.

Driver Fined For Ignoring RCMP Siren

Ignoring the siren of an RCMP car speeding a man to hospital with a badly fractured arm resulted in a \$20 fine against a motorist today in city police court.

Fined was Peter Giles, 1261 Union, found guilty by Magistrate H. C. Hall following a trial on a charge of failing to obey the rules of the road and the sounding of a siren on an emergency vehicle.

According to testimony, Constable Peter Humphries, RCMP detachment at Sooke, was en route to Royal Jubilee Hospital June 16 with Pete Hanson, 22, Sooke, who had broken his right arm in an accident.

ASKED FOR ESCORT

He asked for a city police escort to make the trip to hospital as fast as possible.

Constables Norman Galbraith and James Smith attended at Jutland and Gorge Road to provide an escort for the emergency run.

Constable Galbraith testified that at Gorge and Garbally, the Giles trailer-truck made a left turn in front of them to go on to Garbally.

Giles, testifying in his own defense, told the court that he did not hear the siren until it was only a block away.

Constable Humphries said his red lights were flashing and his siren was going continuously. He was following the city police escort car. Constable Galbraith said the police car narrowly escaped an accident with Giles' truck.

"You did something that might have resulted in serious consequences," Magistrate Hall told accused.

CANADIANS REPORTED IN NORWAY AIR CRASH

STAVANGER, Norway (CP)—A U.S. military plane reported to be carrying some Canadians collided with a Norwegian Thunderjet today over Sola airfield and a spokesman for the Stavanger police said 10 persons were killed and two were missing.

U.S. officers from Sola reached the scene quickly and clamped a blackout on information about the crash. They declined to say where the plane was from but it was believed to be from a British base.

Reports of Canadians being among those aboard could not be confirmed. There was no indication immediately how many, if any, were Canadians.

Korea Truce Said Agreed

Rhee-U.S. Envoy Reported
To Have Reached Compromise

By ERNEST HOBERECHT

SEOUL, Korea, (Saturday) (UP)—South Korea and the United States have reached virtual agreement on a compromise armistice plan, reliable sources said today.

President Syngman Rhee and Assistant Secretary of State Walter S. Robertson were reported to have completed the main part of their conversations designed to remove South Korean opposition to a settlement of the three-year-old Korean War.

Sources close to the Rhee-Robertson "little truce" talks said neither side got all it wanted and neither gave ironclad guarantees. They have, however, reached tentative basic agreement, it was reported.

Rhee had held out for a three-month time limit on a post-armistice political conference to unify Korea and a mutual security pact with the United States.

Sources said the agreement may not satisfy the Commun-

ists, who were reported demanding that the United Nations use military force to aid Rhee in line.

But the reports were the most optimistic since three weeks ago when Rhee upset the all but signed truce agreement by ordering the release of 27,000 anti-Communist North Korean prisoners.

It appeared that the compromise agreement worked out by Rhee and Robertson might give UN commander Gen. Mark W. Clark sufficient ground on which to assure the Communists South Korea would go along with a truce.

St. Laurent Promises Tax Cuts if Possible

Liberal Leader Says Continued Higher Income
Will See Reductions; Crowd of 2,500 Cheers

VANCOUVER (BUP)—An overflow rally of Liberal party supporters stood and applauded Prime Minister St. Laurent for five minutes Thursday night after he promised that "a Liberal government will continue to cut tax rates" as long as the country can afford it.

It was the Prime Minister's most effective campaign speech since he began barnstorming the nation late last month and keynoteed Liberal strategy toward Conservative Leader Drew's promise to reduce taxes by \$500,000,000 a year.

"Our national income has gone up every year, we hope it will continue to go up, and if it does, you may be sure that a Liberal government will continue to cut tax rates," he said.

People stood and cheered.

CANDIDATES' RALLY

Mr. St. Laurent spoke at a rally for all Liberal candidates in British Columbia's 22 Federal ridings.

"We have reduced taxes in every year but two since the war ended," the national Liberal Leader said. "It was because the aggression in Korea increased the fear of a third world war, and because we Canadians have been doing our full share in Korea and in the North Atlantic Alliance that we had to increase taxes in 1950 and 1951."

"But," he added, "since 1950 the Canadian people have increased production so much that we were able in 1952, and again this year, to start reducing taxes once more."

"The Conservatives are now promising to reduce taxes by another \$500,000,000 a year. That is only a promise. But the Liberal government in the last two years has actually made reductions in the tax rates which reduced the burden by

LARGE GROUP WELCOMES ST. LAURENT

A large delegation of Victorians prepared to welcome Prime Minister Louis St. Laurent at Patricia Bay airport late this afternoon.

The prime minister addressed a public meeting at the Royal Theatre at 8.15 to night at the turning point of his western election campaign tour.

After meeting local dignitaries at the airport, the Liberal leader planned to go to the Empress Hotel for dinner and rest before his Royal Theatre appearance.

Prime Minister St. Laurent is accompanied by one of his two sons, Renault, and John Kessling, newly appointed secretary of state, associate defense minister Ralph Campney, provincial Liberal leader Arthur Laing, and about 15 newsmen.

The prime minister will leave Victoria early Saturday morning to fly to Calgary.

Beria Faces Firing Squad If Treason Charges Proved

BANTAM BEN

Ben Hogan Wins British Golf Title

CARNOUSTIE, Scotland (AP)—Ben Hogan, golf's living legend, won the British Open championship today on his first try, shooting a record 68 on the last round for a 72-hole total of 282. The gallery numbered 20,000.

He had rounds of 73-71-70-68 and his total was the second lowest in the tournament's history.

Hogan's card for the final holes:

Hogan, out 444 434 434—34
Hogan, in 444 254 344—34—68.

He won the Masters Tournament this spring with a record score and then captured his fourth U.S. Open, thus tying the winning records of Willie Anderson and Jones.

Hogan's 282 was bettered only by the 279 shot by Bobby Locke of South Africa in 1950. Locke finished with a 72 for a 291 total.

It may be his last big championship since he hinted after winning the U.S. Open that this probably is his last year of competitive golf.

Hogan said after his final putt: "I feel good, but very tired. I have a cold and I have been playing golf almost every day since March."

"This is one of the toughest courses I have ever played. Every hole is semi-blind."

"These are the best galleries I have ever seen. I really mean it—these are fine galleries."

Kessling Sets Pace in Canadian Golf

TORONTO (BUP)—Gerry Kessling, Ontario amateur champion, blazed back into contention in the \$15,000 Canadian Open today with a two-under par 69 that gave him a three-day total of 217.

Kessling, of Kitchener, who shot 70 the first day but who was not able to give up after he got a 78 yesterday, was over par on the first three holes but then settled down and shot near perfect golf that gave him a four under par lead with half the field of 100 in.

Jim Turnesa, Briar Cliff, N.Y., with 149-69—218, and Bob Inman, Arkadelphia, Ark., with 146-72—218, were second among early finishers. Bill Thompson, Downsview, Toronto, and Bill Kerr, Montreal, were in the third spot with the same scores, 148-71—219.

The tourney leaders were last in the draw, however, and none of the early scores was expected to stand up.

A Canadian amateur, Phil Farley, turned in one of the best performances of the day when he opened his third round with two birdies and a par.

Fire Kills Fifteen

Missionary Group
Die in California

WILLOWS, Calif. (UP)—Fifteen missionary trainees were killed Thursday night when a forest fire they had temporary controlled surged up again and swept through their camp while they were eating.

The trainees were members of the New Tribes Mission, a Protestant group in training for jungle missionary work.

The fire broke out Thursday 28 miles northwest of here in a canyon at the foothills of the Pacific Coast range. The fire was believed controlled Thursday night about 10 p.m. and a group of 24 firefighters from the mission sat down to eat.

One spot fire broke out again across the canyon and, pushed by a 15-mile-an-hour wind, swept through the camp just as the religious men said grace.

Nine of the men climbed a rope out of the canyon and escaped down a fire trail cut by a bulldozer.

All the bodies were found at the camp site except one, found about a quarter of a mile away.

LABRENTI BERIA

STALIN'S EXECUTIONER

Police Chief Was Feared and Hated

BY UNITED PRESS

Lavrenti P. Beria was Josef Stalin's favorite executioner. He was responsible for the deaths of tens of thousands of "enemies of the people."

As chief of the secret police and head of the Soviet security system, he was charged with maintaining Communist control over the nations of the Soviet world. His ruthlessness made him one of the most feared and hated men in the Kremlin.

All of Beria's adult life was devoted to the secret police.

Chief policeman and security officer of the Soviet Communist world, he was the commander of an army of spies and informers, and the ruler of an empire of slave labor camps. He also was said to have been in charge of the Soviet atomic projects.

Beria was born of peasant stock in the Russian village of Merkhuli, Georgia, in March, 1899. He entered the ranks of the secret police in 1920 and rose swiftly through the ranks. He first gained prominence in 1938 when Stalin called on him to "correct the excesses" of the bloody purges which had won him absolute control of the government and party.

Beria proceeded to carry out his orders by a drastic "purge of the purgers." From then on until Stalin's death, his star grew ever brighter.

In 1939, he was made a member of the Soviet defense council which directed the war. He was made a full member of the ruling Politburo in 1946.

Following Stalin's death last March, he emerged as the second-ranking Communist after Premier Georgi M. Malenkov. He was appointed first deputy chairman of the Soviet council of ministers and a member of the Presidium of the Communist Party which replaced the Politburo.

Beria also was given the portfolio of the ministry of internal affairs, thus assuming official control of the Soviet security machine of which he was chief anyway.

One of his first official actions was to denounce the "Kremlin doctors plot" as a fabrication and order the punishment of the officials involved.

WORLD REACTION

WASHINGTON (UP)—The foreign ministers of the United States, Britain and France launched a series of fateful conferences today on ways to exploit the unrest sweeping the Communist world and reaching into the Kremlin itself.

The downfall of Lavrenti P. Beria, friend of Stalin and No. 2 man in Russia, lent unexpected urgency to the talks.

When the announcement of Beria's purge came from Moscow Thursday night, the foreign ministers, top administration leaders and congressmen were generally agreed: For the moment, at least, it looked like a good thing for the West.

It proved beyond a doubt that the Kremlin is being torn by a power struggle that should rule out any moves to touch off a third world war for the time being at least.

UNITED NATIONS (UP)—United Nations diplomats believe the charges against Lavrenti P. Beria reflect a developing Moscow crisis that may lead to a widespread purge in the Russian hierarchy.

WASHINGTON (UP)—Secretary of State John Foster Dulles today summoned the U.S. Ambassador to Russia to come to Washington to consult on the momentous turmoil in the Kremlin.

BERLIN (UP)—Western Allied officials said here today that the downfall of Lavrenti P. Beria may bring "major changes" in Soviet Communist policy in East Germany.

They admitted it was "extremely difficult" to forecast what the results would be. But, they ventured the guess that it would strengthen the hand of Soviet High Commissioner Vladimir S. Semenov in the struggle he is believed waging against East German Communist leaders, particularly against Walter Ulbricht, so-called "strong man" of German Communists, deputy premier and secretary general of the party.

Everything from Texas is big—'cept Hogan's golf scores.

O Beria ba-a-a-ck, on th' lone taiga . . .

'Parently Waldo's willin' t' wrap himself in th' Sacred banner—but he hopes th' dye won't come off on 'im.

Struggle for Power In Kremlin Erupts

By HENRY SHAPIRO

MOSCOW (UP)—Secret Police Chief Lavrenti P. Beria, No. 2 man in the Communist leadership, has been expelled from all his state and party jobs and arrested on a charge of treason, a crime punishable by death before a firing squad, it was disclosed today.

Premier Georgi Malenkov himself presented the surprise charges against Beria, for 30 years a trusted Communist and close friend of Josef Stalin and for 15 years head of police security forces.

News of Beria's downfall was announced in an official communiqué of the central committee of the Soviet Communist party, and published in official newspapers and broadcast by Moscow radio.

The official Communist

party newspaper Pravda described Beria as an "adventurer and hieling of foreign imperialist forces" and said he had conspired to seize the government and party leadership and "restore capitalism."

Indicating that a purge of Beria's ministry of the interior also may be expected, Pravda said that Beria selected his men in the ministry on the basis of personal loyalty to himself while he "wormed himself into confidence and threaded his way to leadership."

Criminal Code Calls for Death

Article 58 of the Soviet Criminal Code specifically calls for death before a firing squad for anyone convicted of treason.

(The official communiques announcing Beria's downfall, first break in the leadership of the Malenkov government, failed to disclose Beria's whereabouts and it was presumed he was in jail awaiting trial.)

(The removal of Beria, who had been the middle member of the ruling triumvirate along with Malenkov and Deputy Premier Vyacheslav Molotov, was expected to cause world-wide repercussions and possibly great policy changes in iron curtain countries.)

(It was also believed the government would conduct a sweeping investigation into Beria's ministry of interior affairs, which includes the secret police, and possibly purge its personnel.)

Beria's case was presented to the supreme court of the Soviet Union after Malenkov had named him as a traitorous counter-revolutionary in a recent report to the Communist party central committee.

Pravda published the communiques and Soviet authorities posted them on public bulletin boards. Workers stood in line to read the news then hurried on to work as usual, without comment.

Malenkov, Molotov Showdown Foreseen

By CANADIAN PRESS

European diplomats today viewed the purging of Lavrenti Beria as the beginning of an all-out struggle for power inside the Kremlin with prospects of a showdown next between Premier Malenkov and Foreign Minister Molotov.

Beria, 54, the gimlet-eyed boss of the secret police, was fired from his job, booted out of the Communist party and condemned as a traitor. He was played as a "malignant enemy of the Soviet people" and his case turned over to the Soviet Supreme Court.

SUCCESSOR

His successor—in title but probably not in power—is Sergei Kruglov, a veteran police official who has been given high Soviet recognition for his administration of the many camps housing millions of slave laborers.

British sources said Sir Alvar Gaseigne, British ambassador to Moscow, has been giving the nod to Molotov as the eventual big boss in the Kremlin. But United States officials believe Beria's purging means Malenkov is acting swiftly and ruthlessly to consolidate his position as Stalin's successor.

There was a general tendency, however, against speculation that Beria's removal meant the Soviet regime was weakening—or that it would lead to any immediate change in policy at home or abroad.

Malenkov, Beria and Molotov were regarded by the West as a triumvirate heading the government since Stalin's death in March. Beria and Molotov were "first" deputy premiers, and Beria was minister of internal affairs.

A high West German government official predicted sharp repercussions and personnel upheavals in rebellious Red-occupied East Germany in the wake of Beria's removal.

British officials felt the break-up of the Kremlin triumvirate would strengthen U.S. opposition to any high level parley between the East and West sought by Prime Minister Churchill.

Newspapers and observers said the Moscow developments could bring either civil war in Russia or improved East-West relations.

They said Queen Mother Elizabeth insisted that Margaret spend most of Thursday in her room at the Leopard Rock Hotel.

Early Start Assured On Christ Church Wing

Christ Church Cathedral building fund campaign today passed \$100,000, thus assuring an early start on the west towers, Archbishop Harold E. Sexton told the Times.

"Although this sum is somewhat short of our initial goal of \$250,000, we feel it is sufficient to get the project underway," the archbishop said.

(The long-range cathedral completion project was estimated last year as a \$750,000 job. The campaign committee felt that this might be achieved in "three bites" of \$250,000 each, over succeeding years.)

The \$100,000 achieved came in donations large and small from all parts of Canada, the U.K. and the United States, but mainly from Victoria, the archbishop said.

Among the outstanding contributions was a gift of \$10,000 from the former lieutenant-governor of British Columbia, Col. W. C. Woodward.

Earlier, R. H. B. Ker of this city had made a similar donation.

The "special names" canvass is not yet complete, and is expected to add a substantial amount to the present total.

Vancouver Island parishes, which are canvassing for the mother church in Victoria, have not completed their returns but are reported to be doing well. Already \$800 has been sent into the campaign, from the Gulf Islands.

Archbishop Sexton told the Times that he hoped work on the cathedral, which has been at a standstill for the past 25 years, would be resumed this fall.

"Once we get started, we expect to keep going," His Grace remarked. "By their contributions to date, friends of the cathedral have demonstrated that they want to see this splendid edifice completed. We are confident that the funds will be forthcoming."

Strike Injunction for Pipeline

VANCOUVER (CP)—A court injunction was issued Thursday restraining 12 striking AFL truck drivers from interfering with the progress of work on the Trans Mountain Pipeline project near Hope, B.C.

The injunction was granted by Mr. Justice Norman Whitaker on the request of the company.

Ailing Margaret Resting From Tour

UMTALL, South Rhodesia (CP)—Princess Margaret has withdrawn temporarily from her tour of Rhodesia with the Queen Mother because of a persistent cold and slight temperature, it was announced today.

The announcement came only an hour before the couple was scheduled to leave a mountain resort hotel near here for a day-long drive. It is said the 23-year-old Princess will return by air today to Salisbury, Southern Rhodesia capital, while the Queen Mother maintains the time-table of the tour.

Smelter, Employees Accept Terms

TRAIL, B.C. (CP)—Consolidated Mining and Smelting Company and its 6,000 employees in Kimberley and Trail have agreed to the contract recommendations of a conciliation board, a joint company-union statement said today.

There was no pay increase issue in the dispute which centred around a request by the International Union of Mine, Mill and Smelter Workers (I.M.S.W.) for improved pensions which company directors said was too expensive.

Ship Brawl Death Brings 15 Years

VANCOUVER (CP)—Harold Ernest Graham, 40, today was sentenced to 15 years in prison for manslaughter as a result of the death of Silvio Zanatta aboard the tug La-point May 9. Graham was convicted Thursday in connection with the death of Zanatta following a shipboard brawl while the vessel was at Bellingham, Wash. (See story Page 5.)

Purge of Beria Seen Start Of All-Out Power Struggle

By Canadian Press

European diplomats today viewed the purging of Lavrenti Beria as the beginning of an all-out struggle for power inside the Kremlin with prospects of a showdown next between Premier Malenkov and Foreign Minister Molotov.

Beria, 54, the gimlet-eyed boss of the secret police, was fired from his job, booted out of the Communist party and condemned as a traitor. He was played as a "malignant enemy of the Soviet people" and his case turned over to the Soviet Supreme Court.

His successor—in title but probably not in power—is Sergei Kruglov, a veteran police official who has been given high Soviet recognition for his administration of the many camps housing millions of slave laborers.

A high West German government official predicted sharp repercussions and personnel upheavals in rebellious Red-occupied East Germany in the wake of Beria's removal.

British officials felt the break-up of the Kremlin triumvirate would strengthen U.S. opposition to any high level parity between the East and West sought by Prime Minister Churchill.

Newspapers and observers said the Moscow developments could bring either civil war in Russia or improved East-West relations. (See story Page 3.)

Forest Closure

OLYMPIA (AP)—Three more Western Washington areas were closed to public entry today because of extra fire hazard.

The closure order is effective until Oct. 15.

Ben Hogan Wins British Golf Title

CARNOUSTIE, Scotland (AP)—Ben Hogan, golf's living legend, won the British Open championship today on his first try, shooting a record 68 on the last round for a 72-hole total of 282. The gallery numbered 20,000.

He had rounds of 73-71-70-68 and his total was the second lowest in the tournament's history.

Hogan's card for the final holes:

Hogan, out 444 434 434—34
Hogan, in 444 254 344—68
Hogan's 282 was bettered only by the 279 shot by Bobby Locke of South Africa in 1950. Locke finished with a 72 for a 291 total.

It may be his last big championship since he hinted after winning the U.S. Open that this probably is his last year of competitive golf. (See story Page 8.)

Fire Kills Fifteen

Missionary Group Dies in California

WILLOWS, Calif. (UP)—

Fifteen missionary trainees were killed Thursday night when a forest fire they had temporary controlled surged up again and swept through their camp while they were eating.

The trainees were members of the New Tribes Mission, a Protestant group in training for jungle missionary work.

The fire broke out Thursday 28 miles northwest of here in a canyon at the foothills of the Pacific Coast range. The fire was believed controlled Thursday night about 10 p.m. and a group of 24 fire-fighters from the mission sat down to eat.

One spot fire broke out again across the canyon and, pushed by a 15-mile-an-hour wind, swept through the camp just as the religious men said grace.

Nine of the men climbed a rope out of the canyon and escaped down a fire trail cut by a bulldozer.

All the bodies were found at the camp site except one, found about a quarter of a mile away.

Cricket Test Score

MANCHESTER (CP)—Australia had 221 for the fall of three wickets as heavy rain ended play in the second day of the third cricket test match with England.

Cabinet Recommends Early Public Hearing

By GORDON FORBES, Times Legislative Reporter

Decontrol of milk above the producer level in British Columbia has been delayed once again.

The provincial cabinet this afternoon recommended to the Milk Board granting of the B.C. Federation of Agriculture's request for a public hearing into the situation.

Other producer organizations also have requested the hearing.

E. C. Carr, board chairman, is expected to announce time and place of the hearing almost immediately.

The cabinet recommended the hearing be held "at the earliest possible moment." Agriculture Minister Kenneth Kiernan, in making the announcement, explained that the milk board had referred the public hearing request to the cabinet.

"The cabinet is of the opinion the hearing asked for should be held at the earliest possible moment. The board is being so advised," he said.

West German Election

BONN, Germany (UP)—President Theodor Heuss of West Germany today officially proclaimed Sept. 6 as the date for the next federal parliamentary elections.

WINNIPEG (CP)—Crop prospects remain favorable throughout the western Prairies following the return of warm, sunny weather.

Korea Truce Said Agreed

Rhee-U.S. Envoy Reported To Have Reached Compromise

By ERNEST HOBERECHT

SEOUL, Korea, (Saturday) (UP)—South Korea and the United States have reached virtual agreement on a compromise armistice plan, reliable sources said today.

President Syngman Rhee and Assistant Secretary of State Walter S. Robertson were reported to have completed the main part of their conversation designed to remove South Korean opposition to a settlement of the three-year-old Korean War.

Sources close to the Rhee-Robertson "little truce" talks said neither side got all it wanted and neither gave unconditional guarantees. They have, however, reached tentative basic agreement, it was reported.

Rhee had held out for a three-month time limit on a post-armistice political conference to unify Korea and a mutual security pact with the United States.

Sources said the agreement may not satisfy the Communists South Korea would go along with a truce.

CANADIANS REPORTED IN NORWAY AIR CRASH

STAVANGER, Norway (CP)—A U.S. military plane reported to be carrying some Canadians collided with a Norwegian Thunderbolt today over Sola airfield and a spokesman for the Stavanger police said 10 persons were killed and two were missing.

U.S. officers from Sola reached the scene quickly and clamped a blackout on information about the crash. They declined to say where the plane was from but it was believed to be from a British base.

Reports of Canadians being among those aboard could not be confirmed. There was no indication immediately how many, if any, were Canadians.
